A message from your President

As another year of indoor winds down it sure was a successful one. We saw many state records get broken and several bowls came home from Louisville.

Our state shoot had a record amount of shooters, both individual and team shooters. We had a couple of problems along the way but for our first time out and the record number of shooters, I think we faired pretty well. We had a lot of volunteers that were willing to come out and give us a hand setting up, running, and tearing down. I'd hate to start naming names of everyone who stepped in to help because I'm sure I would leave someone out. Without the help of these volunteer's we would not be able to have a state shoot at all. A very special "Thank You" goes out to everyone of you.

MBH was also very well represented at Nationals this year. It's really impressive to see so many people wearing MBH shirts walking around the convention center. Missouri also brought home a few silver bowls and had many Championship flight finishes. Not only was Missouri well represented with adults there are lot of youth shooters from our state as well. There was one youth class that had all three top finishers coming from Missouri. I know of several cubs that earned top three honors as well. To me they are the future of our sport and I am very proud of them all.

With outdoor season already starting the calendar is starting to get pretty full. Please keep an eye on the Release for upcoming shoots. If you have never been to an outdoor shoot, I highly recommend attending one this summer. We don't get many shooters at our State Outdoor and that is something I would like to change. Last year was our first time at this event and we had a great time. So, I hope to see more of you there this year.

We also cannot forget about the Youth State Indoor coming up on the 13th and 14th of April. We are hoping for another record number of shooters.

Until next month
Jason

2013 Missouri NASP State Championship Another Great Success

On March 23rd, 2013, the Missouri National Archery in the Schools Program State Championship was held at the University of Central Missouri in Warrensburg. Once again, the tournament had another record attendance, topping out at over 1,400 shooters! 14 line times with 60 target butts on each line, it was quite the sight! Using NASP legal equipment, shooters competed amongst each other while having a great time enjoying the sport we all have come to love. With bragging rights and nearly 5 foot tall trophies for championship teams up for grabs, it was very cool to see the shooters focus in on their shooting while at the same time being great sportsmen and superb shooters. The shooting from many teams this year was nothing short of incredible. Students shot as individuals, but their scores were combined with their teammates to create team scores. These scores were made up of the top 12 scores on the team,

with at least 4 scores being boys and 4 scores being girls. The three age divisions where High School, Middle School, and Elementary. Rounding out the top 3 in the High School team division was Sarcoxie R-II coming in 1st with 3339 pts., Crane HS in 2nd with 3302, and Willard HS in 3rd at a 3229. Just an interesting fact, MBH members Kaycia and David Woolsey and Chris Berry are coaches at Sarcoxie. In the Middle School team division, Holy Rosary took 1st with a score of 3284, Ridgewood finished in 2nd with 3255, and Hillsboro came home with 3rd with a 3232. The top 3 teams in the Elementary School age division was George Guffey Elementary finishing 1st at a 3169, second place went to Holy Rosary at a 3031, and Maramec Heights with a 3006 came in 3rd. The top 5 individuals in each division were also recognized and given trophies. There is

too many to name here, but one note of interest is MBH member Hunter Berry finished in 1st for High School individual. **Total results of the tournament can be found at nasptournaments.org, please check it out!** Yours truly has had the opportunity to be a coach at Holy Rosary (mentioned above) for the last couple years. I have seen the growth of this program grow immensely across the state. This is the true future of the sport and its stronger than ever! On a personal note, I just want to thank head coach Marnie Bellamy, principal Doug McMillan, and Father Philip Egan for allowing me the opportunity to be part of the team and I look forward to more success in the future! Enjoy a few pictures from the event on page 8.

Aim Small and God Bless

LARGE AND SMALL GAME COMMITTEE

Here are a couple of more game reports that came in.

49. Savannah Hanning, Salem, 130 lb. 7pt.

Buck, 42 yard shot on 10/19/12 in Dent Co. **1st deer!**

50. Eric Krentz, Mexico, Coyote, 15 yard shot at 11am in Audrain Co.

MBH annual awards for 2012/13 season are;
1st Spring Turkey – Jim Brinkmann killed on 4/16/12 at 9:30 am

Last Spring Turkey – Jeff Blystone killed on 5/4/12 at 8:31am

1st Fall Turkey- Jim Brinkmann killed on 9/29/12 at 8:32am.

1st Deer- Charles Cashett Jr killed on 9/15/12 at 6:01pm. Honorable mention goes to Kenton Hayes with a harvest on 9/15/12 at 6:45pm.

Last Deer- Terry Whitford killed on 1/14/12 at 5:10pm.

P&Y Typical Best Buck- No entries received.

P&Y Non-Typical Best Buck- No entries received

Lucky Deer- We had two members win. The actual Lucky Deer Weight was 136 lb. Jack Davis and Sean Johnson both submitted reports of deer that weighed 137 lbs.

Grand Slam Award- We had two Grand Slam Archers this year. Jim Brinkmann and Dave Druml. **Big Fish Kill**- Kenton Hayes, 22.5 lb. Common Carp.

Longest Gar Kill- Kenton Hayes, 58.25" Gar. Congratulations to the above members on their awards!

Season Summary; 22 MBH members turned in reports last season. There were 45 deer reports, 4 turkey, and one coyote for a total of 50 reports during the fall & winter season. Nine members killed more than one deer.

3 killed two deer, 1 killed three deer, 3 killed four deer, 1 killed five deer, and 1 member killed seven deer this season. I had five first time archery deer killers this year with three of those members 16 years old or younger! There were 29 does, 12 antlered bucks, and 4 button bucks harvested. For the second year in a row no one turned in a P&Y buck entry. I saw some photos of bucks that would have qualified but no one submitted an entry. Also for the second year in a row the shot average was over twenty yards. This year's average was 20.08 yards. Sleeping in this year worked out OK. 28 deer were harvested in the PM hours and 17 in the AM hours.

Carbon arrows were used on all of the harvests and broadheads were split right down the middle with 23 mechanical and 22 fixed blade designs. Only 3 deer were taken on public ground. 42 were taken out of treestands, 2 from a blind, & 1 by still hunting.

There were only eight turkey reports submitted, four spring and four fall turkeys submitted by 5 members. All of the birds were shot from a blind. Average shot was 13.25 yards. Only two of the eight kills were on public ground. One member harvested 4 of the turkeys reported this year.

Remember to turn in your spring 2013 turkey harvests. Youth season is April 6th&7th; regular season is April 15th thru May 5th.

News From The Stump....

By : Kathy Potter
NFAA Director- Missouri
potter.mbh@cvalley.net

Congrats to all of you that made the trip to Louisville and participated in the 2013 NFAA National Indoor Championships! It seemed that everywhere I looked, there was somebody from Missouri carrying a silver bowl. Whether you took home a silver bowl, a medal or just some wonderful memories, THANKS for supporting the NFAA and representing our State. You guys ROCK!

One last indoor tournament remains. The second annual MBH Junior State Indoor Championship will be shot this weekend at multiple locations around the state. This is a great opportunity for our young folks to compete, make new friends and earn awards. Participants are required to be MBH members, but Youth memberships are only \$12.50 and can be purchased the day of the shoot.

Some of you will be heading to Yankton, SD in a few weeks (April 20th-21th) to compete in the 2013 Dakota Classic. This is the third leg of the 3 Star Tour. Competitors that shot at Vegas and

Louisville can participate in The Dakota Classic and earn the chance to shoot-off for a car!

The NFAA Classic 600 Round will be shot each day. Saturday and Sunday rounds will consist of 4 ends of 5 arrows shot at 3 distances. Four minutes is allowed for each end. The target is the 6-ring center spot of the 92 cm WAF target face with gold-red-blue, etc. (10 through 6) scoring areas. Cub distances are 10-20-30 yards, Youth distances are 30-40-50, and Young Adult/Adult/Senior distances are 40-50-60 yards.

Participants may enter either a Championship Division or a Flight Division. This year, the 600 round format will be shoot inside the new indoor shooting facility! You can get all the tournament details and register for the shoot at www.thevegasshoot.com

One other important note, the NFAA National Unmarked 3D Championship is also held in Yankton, the same weekend as the Dakota Classic. The Shoots have been organized so that Competitors can participate in both tournaments in the same weekend. Just go to the website listed above to get all the details!

Hope everybody makes times to get outdoors this month and enjoy all that springtime has to offer. Who knows... you might just hear a turkey gobbling or find a mushroom!;

God Bless!

THE RELEASE is published monthly and viewable for our members on MBH website: www.missouri-bowhunters.org

CONSERVATION COMMITTEE

The Rocky Mountain Elk Foundation has a motto "Hunting is Conservation"! I agree. Judging by the picture below the future of conservation is looking good!

Savannah Hanning of Salem harvested her first deer with a bow. On the evening of October 19th at 4:30 she made a great 42 yard shot from a ground blind with her 40 pound PSE bow, Carbon Express arrow, and Rage broadhead. The buck only made it forty yards after the complete pass through lung shot before expiring.

Way to go Savannah!

Happy Bow Hunting

NODAHO BOW HUNTERS, INC.

Whew! I'm sure that is what the State and National officers feel after a very intense indoor season! Maybe they can relax and reload before 3-D and Field Archery season gets into full swing. I know most Nodaho archers are looking forward to going outside after a busy season.

I was looking at the attendance for the Midwest Sectional Championship and it looks like a record crowd attended. Congratulations to Connie Randall and Linda Parker for their first place finishes in FSL and SFSL, respectively. Tim Randall continues to do well in the SMFSLRL division and took 2nd. Chris Morrow shot two 300's and took 1st in the 2nd flight in the Male Freestyle division – wow, adding them up, there were 21 archers who shot a two day score of 600 – that's impressive. Sometimes it seems it is hard to shoot your best when you don't know who your competition is and how they are doing

The State shoot was a big success with a record attendance. I was impressed with our new officers and how they ran the show. Candy and Steve apologized for getting Sunday times posted so late, but I'm sure it was very hard with the record crowd to get everyone shooting with their competition on Sunday at the same time with so few empty butts to work with. Nodaho had a good turnout with 26 archers competing. Congratulations to state champions Linda Parker, Connie Randall, Quinn Talbott, Jason Thompson, Jenell Ciak, Marsha Criger & Madison Thompson. We will be having our after league/start of outdoor party March 30. We always have a good time playing archery games and enjoying the great food our members provide.

Our first outdoor 3-D shoot will be on April 14. Our range captain, Max Medsker said there was only minor winter trash to be dealt with on A side and doubted if our B side is any different, so our work party will have it in good shape and ready to go on the 14th. We decided to bring back our "marked yardage" shoot for the first shoot, many think it helps "sharpen the senses" as far as yardage estimation after a long winter. We'll also start our member Wednesday night leagues the week after our shoot. If you are interested in becoming a member, give one of the officers a call – we're listed in the Club Directory in the Release.

The grass is greening up and the Robins have arrived – Happy Spring everyone!

Jeanette Brookshier, Secretary

**2013- 2nd Annual
Junior Missouri Bow Hunters
Championship**

Sat or Sun, April 13th or 14th, 2012

Northside Archers—St. Louis, MO

Well by the time you read this it will be well into spring and almost summer. Several 3-D shoots will have already been shot by now. The State Indoor was fantastic again this year. Thanks to one and all who worked so hard to put it on. I heard a lot of comments about the shoot. It was a great place to shoot. At least there was no trouble finding a parking place.

Thanks also to one and all that ran the line, and sat up and tore down after the shoot.

I did get to make the Indoor National at Louisville, Kentucky again this year, and had a wonderful time. There were some fantastic scores shot this year again. Boy, was that an experience. There were thirteen hundred and twenty five shooters there. A new record I think. There were target butts on both sides of the Convention Center with the vendors in between. It was very impressive to this old boy. Our Tuesday night Indoor league is over, but I don't have the results at this time. I will try to get the results in the next writing.

Congratulations to all of them for some fine shooting this year and last.

Enough about that, let's get to the great outdoors. I always enjoy the State Outdoor shoots whether I shoot good or not. I hope to see a lot of you all there this summer. It seems that if you have a problem one particular target, on the next round maybe you can get your evens on it.

Our outdoor range is coming along slowly. We had some wind damage that required two chain saws and a lot of work to get halfway cleared. We do hope to have it ready for the first outdoor league night. It is always the first Tuesday night in May. I hope everyone else is having good luck at getting their ranges ready.

Our only deer harvest turned in to me was Rich Noble who took an eight point buck, and I took one shot this year and killed a tree. Oh well, I got two off of my stand during gun season and my son-in-law took one off of it too.

There is not too much else happening here right now. Just thinking about the upcoming spring turkey season that is just around the corner.

Hope you all have a safe and successful turkey season.

Until the next time, may all your arrows find the Gold.

Bob Brumback

2012 Hall of Fame inductees

By Bill Myers, Hall of Fame Chairman

The Missouri Bow Hunters Hall of Fame Committee proudly announces the induction of two of their members into the Hall of Fame.

Frank Tolivar at 84 has been an active member for over 53 years. He reported his first small game report in 1959 and received his first award in 1960 and went on to earn 7 small game awards. He has harvested at least one deer for 55 consecutive years with archery equipment and has taken 45 turkeys. Most impressive feat is Frank has earned 12 consecutive Grand Slam awards. Frank Tolivar represents the "Hunter" in MBH.

Don Roper a long time member of the MBH was awarded a life time membership in 1991 for his devotion to the Large and Small Game Committee. For many years Don was the chairman of the Large and Small Game committee keeping statistics of how members harvested their game and awards. Don is probably most remembered at the "Father of Bow Hunter Education" in Missouri. He spent countless hours and drove many miles to educate not only MBH members but anyone wanting to learn about bow hunting.

2013-2014 CALENDAR OF EVENTS
