## A message from your President

Wow, what a busy February it was. We didn't make it to the Kansas City Shoot Out but we made it to Vegas, Sectionals, and the Deer Classic. Our first trip to Vegas was quite an experience. We met a lot of shooters from the youngest of ages to the biggest named pros. Our Missouri shooters have made quite a showing at every event. That is something to be proud of.

We also finished up with the 330 Vegas shoot at the Missouri Deer Classic in Columbia. The attendance was down this year compared to past years, but we still had a great tournament. We are looking at ways to improve this shoot. I know the lighting and the floor have been a big issue. I would like to hear any comments or suggestions about improving this shoot.

I would like to say "Thank You " to everyone who helped in any way during the Deer Classic. Whether they helped set up, run the shoot, or pack everything up. A special "Thanks" to Wess Voss for storing and transporting the equipment to and from the shoots. Volunteers are the reason these shoots take place.

As I write this, I was just informed that there are 239 registered shooters for State. I hope that number will climb over the next week. I am looking forward to seeing everyone at State and Nationals.

Good luck to all.  
Jason Hancock

## The Excitement Is At a Fevered Pitch

WOW is all I can say! What an incredible indoor season we've seen! We've had some incredible representatives showing what the Show Me state is really made of! Congrats to all who had strong showings at Vegas! By the time you read this, Sectionals and MBH State has most likely finished up and I'm sure it was a great success. But the tournament action is not the only thing that has me excited for the upcoming year in archery. I see some incredible things happening with the MBH this year! Just look at last month's edition of the Release and just look at the awesome things that were passed in the last B of R meeting. Let me just go over a few things and elaborate on great of a year this can be with your help and participation. Coming up first in terms of chronological order, the 2013 MBH State Youth Indoor will be held the weekend of April 13<sup>th</sup>. It will be at multiple locations like similar to last year with specifics to come in later issues. This was a fantastic event last year resulting in quite a few new members! Carroll County Bow Hunters has been selected for the 3D State Championship. This is such a fun course to

shoot and a first class group of people running the event. Last year was a great shoot for 3D State at the same location. After that, pending the passing of dates and details at the State Indoor tourney, Indian Trails was chosen to have the first (that I know of) MBH State Outdoor 600 round!!! Such an awesome format and this is absolutely a fantastic way to grow MBH. The Show Me Games has seen quite a bit of success with a 900 round over the last few years, so I can see this as being potentially one of the biggest MBH events in the near future. I highly recommend everyone to try this type of shooting. It is some of the most fun you'll have at a tournament, trust me! On the same note, for anyone who hasn't tried field shooting, get out to the Independence Bow Hunters for the 2013 NFAA sanctioned State Outdoor Championship on July 13<sup>th</sup> and 14<sup>th</sup>. Once again, a top notch group of folks and a fantastic format will surely make for some fun times!

On top of the 2013 schedule being lined out, the new President, VP, Treasurer,

and Secretary were named. Congrats to all who were elected and we are very blessed to have a great bunch of folks like you! On the same note, I just want to say thank you to all the folks involved over the last number of years with the MBH. You all put countless hours in to make great events and an amazing organization for all of us. THANK YOU! That's it for now, so go out there and shoot some arrows!!!

Aim Small and God Bless  
Cole Duensing

### LARGE AND SMALL GAME COMMITTEE

In the January Conservation Committee article I promised I would ask about the MDC's 2012 Spring Turkey Hunting survey results. In that survey hunters were asked about a one week archery only season and an all day turkey spring seasons. I got to see those results this past weekend at the annual Conservation Federation of Missouri's annual convention held in Jefferson City. Here are the results of that survey.

Archery-only Spring Turkey Season;

Support: 50.7%  
Oppose: 28.8%  
Neither support nor oppose: 20.5%  
All Day Spring Turkey Season  
Support: 63.3%  
Oppose: 24.2%  
Neither: 12.6%

When asked how likely it would be that survey respondents would participate in an archery only spring season;

Very likely: 37.4%  
Somewhat likely: 21.9%  
Not at all likely: 40.8%

When asked how likely it would be that survey respondents would hunt after 1:00 pm:

Very likely: 57.0%  
Somewhat likely: 24.6%  
Not at all likely: 18.4%

Based on these survey results the MDC decided that if changes to the spring season were made they would favor all day hunting over an archery only spring turkey season. The reasoning was that more hunters would benefit from all day hunting than the archery only season. If you want to read the MDC's full response, it was printed in the January Release Newsletter in the Conservation Committee article.

See You at

Classic!

## Missouri Bow Hunters BofR Meeting Minutes (March 10, 2013)

### Meeting Participants:

East Fork Archery- Chris Botkins  
Summit Archery- Dan Jasa  
Buder Park- Darryl Cooney  
NODAHO- Tim Randall  
Indian Trail- Faron Teague  
Carroll Co. Bowhunters- Jerry Denker  
ABI- Sam Maucelli  
Independence Bowhunters- Henry Houk  
Columbia Area Archers- Ragan Sappington  
NFAA Director- Kathy Potter

### Summary:

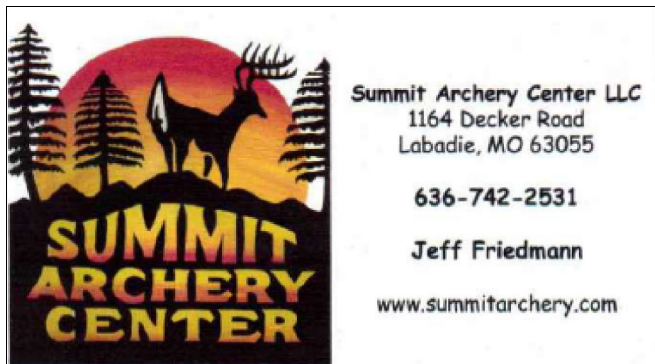

Meeting called to order by Jason Hancock. Kathy recapped the old business that needed to be addressed:

- Schedule for MBH 600 Round to be hosted by Indian Trail- Faron made a motion to hold the tournament on August 18<sup>th</sup>, 2013. Darryl Cooney seconded the motion. The motion was passed.

New business was presented to the group:

- The date for the MBH State 3D Championship is currently scheduled for the same weekend as the NFAA Sectional Outdoor (hosted IBH). Jerry Denker made a motion to move the date to July 27<sup>th</sup> & 28<sup>th</sup>, 2013. Discussion was held regarding the conflict with the Show Me Games Target completion, but it was determined that there weren't any better alternatives. The motion was seconded by Darryl Cooney. The motion was passed.
- The annual MBH bow raffle is supposed to be drawn at the last State Championship tournament in order to raise as much money as possible. At the last meeting, it was agreed that the bow would be drawn at the MBH State Outdoor Championship. Based on the new tournament date of August 18<sup>th</sup> (which is AFTER the State Outdoor), Dan Jasa made a motion to move the raffle to August 18<sup>th</sup> at the MBH 600 Round. Sam Maucelli seconded the motion. The motion was passed.

The next MBH BofR meeting will be held at the State Outdoor Championship. Meeting adjourned.

## News From The Stump....

By : Kathy Potter  
NFAA Director- Missouri  
[potter.mbh@cvalley.net](mailto:potter.mbh@cvalley.net)

March has finally arrived! This is THE MONTH most Spot Shooters look forward to each year. Having put many hours of practice in at the range and testing their skills at local, state and sectional tournaments... the time for NFAA Indoor Nationals has arrived!! A significant number of Missouri Shooters will be making the trip to Louisville. For others, it's time to switch over to 3D and/or field rigs. A few Shooters will simply take a break to relax and recharge before preparing for hunting season. Whatever group you fall into... March is all about transition!

Thanks to all of you that participated in our NFAA Midwest Sectional Indoor Tournament this year. I've been comparing this year's results to the previous year and all I can say is ... WOW!! We had 326 Shooters participate this year which represents a 22% increase over last year.

Being somewhat of "math nerd", I couldn't stop there.

I took a deeper dive into the data and uncovered some other interesting statistics:

- Missouri hosted 37% of the Shooters. South Dakota hosted 35% and Iowa hosted 28%. The location with the most significant growth compared to 2012 was Iowa (+59%).
- Females made up 28% of Shooters. There was a whopping 43% increase in the number of female shooters compared to last year. Participation by males increased by only 15%.
- From a division perspective, the largest level of growth was in the Young Adult division (+70%)! Coming in 2nd place was the Cub division with (+56%). Third place went to the Youth division with (+27%). This is VERY encouraging!

Most of you know that I stepped down as MBH Secretary/Treasurer this year.

Well my free time didn't last long. I've been officially asked to represent NFAA on a 4 person committee that will be meeting with a similar group from the NAA. We are charged with investigating opportunities to integrate organizations (where it makes sense) and report back to our respective groups. Our first meeting will be April 12th. I'm excited about the possibilities, but extremely cautious about ensuring each organization is able to maintain their identity. Just a reminder that we will NOT be agreeing to anything. We are simply on a mission to investigate the possibilities. Stay tuned for more details, later this year.

I would like to extend my sincere thanks to all of you that have offered so many kind words of encouragement and thanks over this past month. It really is my honor to serve you. I'm excited about having more time to focus on my NFAA Directorship responsibilities and my Role as MBH Membership Committee Chair!

God Bless!

## CONSERVATION COMMITTEE

I have just returned from Jefferson City where during this past weekend the Conservation Federation of Missouri held its annual convention. This convention happens every year at the end of February and is arguably one of the most important events of the year for all people who enjoy the great Missouri Outdoors. This weekend gathering involves CFM members from all over the state and 75 different affiliated clubs that encompass everything from the Anglers of Missouri to Jefferson City Coon Hunters to the Missouri Prairie Association to the Missouri Wild Turkey Federation to the Ozark Fly Fishers and of course our club the Missouri Bow Hunters Association. The objectives of this convention are many but one of the most important things we do during the two day workshop is to pass resolutions from the 14 different committees that cover things like wildlife regulations, water quality, recycling, forestry, sportsman's rights, and conservation education just to name a few. These resolutions are the recommendations of the conservation minded citizens of Missouri and are passed along to the appropriate organization to be acted on. Whether it is the Missouri Department of Conservation or the Department of Natural Resources or the Missouri Legislature and Governor, each resolution will require a response of action taken or plans enacted. I participated in the Archery Committee and the Deer, Wild Turkey, & Elk Committee.

In the Archery committee we passed 2 resolutions;

1. Currently the Missouri Department of Conservation (MDC) and several other organizations provide grant money to Missouri schools

to start up Archery in the Schools programs. This resolution was to ask that a maintenance fund be established to allow up keep of the equipment & targets to help continue the program in schools that are already participating.

2. Request that the MDC consider extending the antler point restriction exemption to those young bowhunters who purchase the Youth Deer and Turkey permits. In other words remove any antler point restrictions for youth bowhunters.

In the Deer, Wild Turkey, & Elk Committee we passed 3 resolutions;

1. Request that the MDC reevaluate the current antlerless deer permit allowances and reduce the number of antlerless permits in the counties where the deer populations are declining.

2. Urge the MDC to impose a moratorium on any new high fenced hunting/breeding facility of cervids, and or any other non-native species that threaten to negatively impact Missouri's native flora and fauna.

3. The third resolution includes an 11 step recommendation to the MDC, the Missouri Department of Agriculture, and the Missouri Legislature to focus all resources and move quickly to provide the statutory and regulatory structure required to minimize, contain, and eliminate the threat to the wild herd of Whitetail Deer caused by CWD.

At the committee meetings we did hear reports from MDC biologists Jason Isabelle for Turkey and Jason Summers for deer. Turkey and Jason Summers for deer. These reports are very interesting and show that the MDC is doing its homework to manage our wild turkey & deer population.

One area that I think the MDC is failing in recently is what they are doing to try and control the Chronic Wasting Disease that has been found in Macon County. The first case of CWD in Missouri was discovered in 2010 at a high fenced big game hunting preserve in Macon and Linn Counties. Since that time there have been 11 confirmed cases of CWD found on that hunting preserve. All of the cervids in that facility were destroyed; unfortunately there have been 6 more cases found in the wild deer population. All 6 deer were killed within 2 miles of the northwest corner of the high fenced hunting preserve.

The MDC has implemented a plan that basically calls for the severe reduction of the deer population in the designated six county CWD zone. This is necessary to slow down the spread of the disease as much as possible. The failure comes in the regulation of the approximately 304 currently permitted confined deer businesses across Missouri. That's right I said over **THREE HUNDRED** fenced deer operations.

There are about 27 high fenced hunting preserves and another 277 permitted deer breeding farms in Missouri. Currently the Missouri Department of Agriculture is responsible for the captive deer farm regulations but the regulations are not very stringent and are designed to protect the economic interests of the industry rather than the protection of the public wild deer herd.

The MDC needs to regulate the captive deer industry and make it a priority to protect Missouri's wild deer herd not the deer farmers!

## NODAHO BOW HUNTERS, INC.

Nodaho's last indoor tournament of the season was held February 9 & 10 with a very good attendance – we appreciate all who came to this and/or any of our indoor tournaments this year. Full results can be found on our web site at [www.nodahobowhunters.com](http://www.nodahobowhunters.com). If you need to contact us, the officer information can also be found on the web site. Also, many thanks to our members who volunteered to help while some of us were gone to Las Vegas.

Thirteen Nodaho members traveled to Las Vegas that weekend to attend the World Archery Festival held at South Point Hotel & Casino. Tim & Connie Randall, Bill & Jeanette Brookshier, Rick and Sue Horn, T. J. & Tammy Horn, Richard & Rita Piveral, Tom & Jenell Ciak and Tyler Piveral made the trip where the guys competed and the gals cheered them on (discretely, of course). Some finished "in the money" in their flights, others not so much, but a good time was had by all. It was sure nice to see and feel some honest

to goodness green grass and renew friendships made through the years!!!

It was my understanding that close to 2,000 archers attended the event. Missouri was well represented – congratulations to Nshan Thompson, Jackie White, Richard Potter and Chris Berry for their great finishes in the Championship Divisions.

We are about to finish up our 2<sup>nd</sup> league followed closely by Sectionals and the MBH state shoot in Linn. Nationals will finish up the indoor season, then it's time to change gears and get ready for outdoors. I don't know about you, but I am so looking forward to Spring – hopefully we'll get some much needed moisture in the form of rain (as opposed to ice and snow).

Several years ago Nodaho was instrumental in establishing a National Archery in the Schools Program (NASP) at our local school. The coach called and asked if some of our certified instructors could help with the program as several students want to compete at the State level.

Bill Brookshier, Quinn Talbott and Max Medsker have been holding sessions at our indoor facility so they can practice and have one-on-one coaching. I'm not sure who is enjoying it more – the kids or the instructors!

In closing, I would like to thank Steve Christian for his dedication in the office of President of MBH as he steps down. I know it is often a thankless position where one gets criticism but not too many pats on the back for all the work, planning and behind-the-scenes involvement the position requires. I had the pleasure of meeting our new President and Vice President, Jason Hancock and Ryan Fitzgerald last summer at a MAA event and I am sure they will "hit the ground running". We've known Steve Bridger for years, and I am also confident the position of Secretary will be well handled. I think we're in good hands.

Jeanette Brookshier, Secretary
