The club proposed a 2 day event (August 11<sup>th</sup>-12<sup>th</sup>) to be held at their range (Walnut Hills west of Carrollton on Rt E). A total of 30 targets will be shot each day and center 12's will be scored. There will be a trickle start beginning at 7am on Saturday and will cut off at 11am. There will be a shotgun start on Sunday and shooters will be grouped with their peers. The fee will be \$35 for Adults and \$20 for shooters 14 and under. Carroll County will retain \$10 of the adult fee and \$8 of the youth fee to cover their expenses. MBH will run registration, provide awards and advertise in the RELEASE. Carroll county will setup the range and provide concessions on the grounds.

Discussion was held regarding the bid and Marvin made the following motion: MBH will pay 1 place for every 5 participants. A shootdown will be held for any class where 5 (or more) places are being paid. Shootdown scores will be added to the 2 day total to determine the winners. Darryl seconded the motion, a vote was taken and none were opposed.

Jeff made the following motion: MBH will pay 50% of the MBH entry fee portion for adult classes. Ties will be broken based on total # of 12's scored on day 2. Further ties will be broken at the discretion of the host club. Ryan seconded the motion, a vote was taken and none were opposed.

The bid submitted by Carroll County for the MBH State 3D championship was approved.

The MBH State Indoor Championship for 2013 will be held on March 9<sup>th</sup> and 10<sup>th</sup>. Unless an alternate location can be identified, the event will be held at Linn Tech.

Jeremy Mason made a motion to create a \$400 budget for the Ways and Means committee. The idea is to divide the state into sections and provide MBH kits (flyers, banners, etc.) that can be used at events to promote MBH. Jerry seconded the motion, a vote was taken and none were opposed.

No bids have been received for an MBH State 600 round. Clubs that are interested in hosting the event should reach out to MBH leadership.
