A message from your President

What do they say about those LAZY days of summer? I don't know, but they sure haven't been very lazy around our house. Between working my day job and starting a new business, it's been pretty difficult to find any time to breath... let alone SHOOT!

Dana, Danielle and I did manage to take some time off to make our annual trip out to Colorado for the Big Sky Open (in Grand Junction) and some much needed family vacation time.

If you are looking for a great tournament/vacation, think about heading west next June. Big Sky is a great tournament, the weather is fantastic and the views are just unforgettable.

Thanks to Independence Bow Hunters for putting on another great Sectionals tournament. I hope everybody will come out next month to support our MBH State Outdoor championship at the same location.

There's some great 'archery' stuff going on around the state this summer. Don't forget the MBH Youth Fish Shoot this month. Columbia Area Archers is also planning a great event next month to promote the sport.

Each of us can contribute and take part in promoting our sport and growing MBH. Please make time to attend an event, compete or just share information about upcoming events with others.

Have a great month and I hope you make some time for a few LAZY days!

Steve Christian

Members and guests broke out their traditional gear on Saturday, June 11 for our annual "Traditional Only" shoot. Following the shoot, games were played and much laughter was heard as the stick and string shooters hit (or missed) the targets. When the results were in, Randy Hankins took 1st place with a score of 349. Don James was 2nd with 339 followed closely by John Carroll with a score of 336. The coveted "last place trophy" at this event was Curt Criger with a score of 174. Rhonda Hankins won the women's division with a score of 184. In the kids class (age determined what stake they shot from), Alex Smith took 1st with 310; Colton Hankins 2nd with 284; and 3rd Caleb Smith 249.

On Sunday, June 12, we hosted our regular 3-D shoot and were pleased with the crowd of 122 after a rain that morning. Here are the winners, full results are posted on our web site, www.nodahobowhunters.com. Brian Estes was the winner of a free shoot in the FUN division. Thanks to all that shared their weekend with us.

LARGE & SMALL GAME COMMITTEE

As any of us that headed to the turkey woods this spring, one knows this was a tuff year. The weather wasn't the best, by no means, and in my part of the state, there just wasn't much gobbling. But almost every season I can rely on reports from several die hards in the organization and this year was no exception.

1. Jim Brinkmann, Labadie, 17 lb. jake , 5" beard, 13 yard shot taken in Warren Co. on April 18th at 10:01am. One of many.
2. Jim Brinkmann, 22 lb. tom, 10" beard, 14 yard shot killed on April 26th at 8:45am in Warren Co.

3. Frank Tolivar, Wheatland, 16 lb. tom, 5" beard, 22 yard shot, taken at 12:15 pm on May 8th in Hickory Co. #43 in 54 years.

Several months back, I read an interesting article, and if you are like me and have several young grand children or small children of your own, you might enjoy how this particular "term" came about.

On Nov.14th, 1902 President Theodore Roosevelt, while helping to settle a border dispute between Mississippi and Louisiana, went on a bear hunt in Mississippi. After three days of no success, the guide dogs finally found an old mature sow. The chase was on. The dogs caught and attacked the bear. The bear killed one of the dogs, then the dogs wore the old bear down enough that guides were able to rope the tired bear to a tree. President Roosevelt was contacted, but refused to shoot the injured bear for sport, but ordered the mercy killing of the animal.

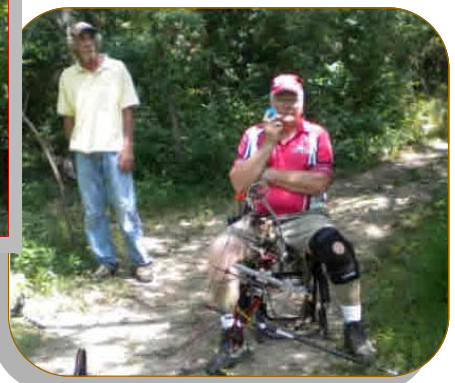

Hunters and non-hunters alike applauded Roosevelt's ethical, fair chase standard. Political cartoonist Clifford Berryman illustrated the event. The cartoon was called " Drawing the line in Mississippi", depicted both the state line dispute and the bear hunt. Berryman drew the bear to be a cuddly cub. The cartoon drawing of the cuddly cub and the story told became so popular that within a year the cartoon bear became a toy for children, called the "teddy bear". Just thought you'd like to know. til next month, Jack

Recipe PULLED VENISON

It seems that a slow cooker and venison go together, and this months recipe is no exception.

4-5 lb. venison roast	1 "	liquid smoke
1 1/2 cups od ketchup	2 "	celery salt
2 tablespoons brown sugar	2 teaspoons	Worcestershire sauce
1 " ground mustard	1 "	onion powder
1 " lemon juice	1/8 "	ground nutmeg
2 " soy sauce	3 drops	hot pepper sauce

Cut roast in half and place in slow cooker, combine ingredients in large bow and pour over roast. Cover and cook on high for 4- 5 hours or until meet is tender. Remove roast, set aside to cool. Shred meat, return to sauce and reheat. Serve on bread or roll. Enjoy !

I hope all my bow shootin', foam killin', archery addicted, friends of the Brotherhood of the Bow is staying cool out there on the range right now! Ya know, I was just thinking today. There is basically two months till my favorite holiday of the year, opening day of bow season! Man, it's really creeping up on us! I know quite a few guys with trail cams out right now and all the crops and plots are in the ground. It's shaping up to be another great season!

Sense we are in the middle of July, we are all aware of the up-coming big shoots. Make sure to get out there and hit the foam hard! Foam is home, man! But at the same time, make sure to go ahead and get a jump on the season! Get out there and throw some stands in the tree, put out some mineral blocks, check the trail cam, and get together with your fellow bow hunters and get that bow season spirit flowing. One thing that many people overlook at this time is shooting your bow hunting rig the way you're actually going to use it. It is always a good idea to shoot with the broad heads you'll be using as well as wearing hunting gloves, face masks, and familiar shooting positions you'll encounter in the field. This includes shooting from a seated position, shooting from an elevated place (tree stands), and shooting in ground blinds. There is nothing any worse than finding out something makes your bow shoot off shortly after missing a deer, or even worse, losing a deer due to a bad shot. Eliminate all variables before hitting the field!

Nothing beats the feeling of enjoying the numerous incredible aspects of bow season. For you who are counting down the days (like I am), it's coming right around the corner. Until then, I got some foam to kill!

Aim Small and God Bless

Discover Archery Day

Saturday, August 13th, 2011

**Submitted By: Joe Pendergrass
Columbia Area Archers**

Join us Saturday, August 13 from 9:00 a.m. until 3 p.m. for a day full of archery activities. The Columbia Area Archers are hosting an event that will be open to the public for everyone to explore all sorts of archery activities. This day will offer 3D archery, NFAA info, static archery, aerial targets, novelty shoots, bowfishing demos and balloon shoots for kids.

In addition to the above activities, we hope to showcase state and national shooting organizations, professional shooters, archery demos, and new products. This event is open to more than modern archery equipment. Watch for traditional archers as well. Custom bowyers, arrow smiths and flint nappers will be on hand to showcase their crafts and answer questions.

We are looking for other clubs and businesses throughout the state to be involved with this day to help show the public all of the wonderful archery activities they can explore with their families. This is your chance to be in front of an audience that is looking for information.

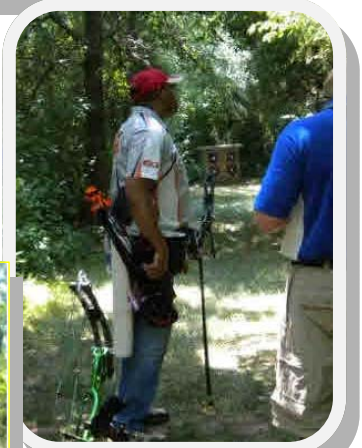

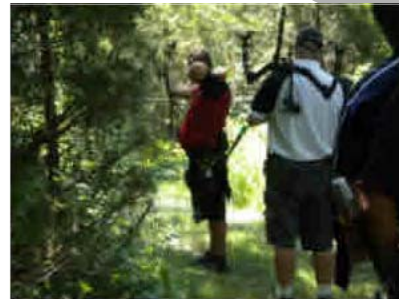

If your club or business can offer support in the means of setting up a FREE booth at our venue to showcase your affiliation to archery, it will help us make this a huge success. We are NOT asking for anything from you other than a commitment to help the sport and bring more families into archery.

We are in hopes of having 300+ people at this event from around the area. It will be publicized statewide in hopes of drawing a vast audience of interested families and seasoned shooters. This event will have a 3D tournament in progress for paying shooters and prizes available for many events. If you can, please help us with publicity. We need shooters to attend the 3D portion of this event, so sending shooters from your local area will help us immensely.

This event will be held at American Legion Park in Columbia, Missouri. Concessions and restrooms will be available in addition to backup indoor vending areas in case of inclement weather.

If you would like to know more about this inaugural event, please contact me at 573.368.1402 or via the internet at info@columbiaareaarchers.com.

Thank You!

News From The Stump...

Hello All! Landahl Park was a beautiful location for the NFAA Midwest Sectional Outdoor Championship last month. It was actually one of TWO locations (including Andover, MN) that hosted the tournament. Although the strategy isn't perfect, the intent of split locations is to facilitate increased participation by reducing the expense of traveling long distances to one location.

Nearly 70 shooters participated in the event this year. Special congratulations goes out to NFAA/MBH members Dan Jasa, Richard Potter and Bill Myers for winning their respective divisions. In addition, Dan also posted the highest score for the event... coming in with a very impressive 1120!

Independence Bow Hunters (IBH) did a great job hosting the shoot. Preparing the course for three different rounds, taking registrations and keeping track of the results is tough. The IBH family worked hard to stay on top of things and ensure that shooters had the best possible experience during the event. Great job IBH... we appreciate all you do!

There's big stuff going on at NFAA Headquarters this month. Yankton, SD will host 4 separate archery tournaments from July 22 through July 30th! One near and dear to many of our hearts is the NFAA National Field Championship, July 25th – 27th . If you're an NFAA member, you received all the details in your June/July issue of ARCHERY (the NFAA bi-monthly publication). If you aren't a member, but are interested in learning more, check out all the details at www.fieldarchery.com or contact me. My contact details are on the cover.

Next month, please consider participating in our NFAA sanctioned State Outdoor 'Field' Championship. IBH will again host this event August 6th and 7th. Last year participants stopped the declining trend and we enjoyed a slight increase in participation. **We need YOU** to come out and help make this event strong, again! If you are new to field archery, we will partner you with shooters that can help you through the rounds.

Until next month... God Bless!

Ray Jones
