Hunt for a Vegas Win

First I got to go to Lancaster Archery Classic in Lancaster PA and shoot that shoot (My first time) I was able to win and set a new record for score.

Than off to Vegas for the World Archery Festival Vegas Shoot after setting up our Alpine Archery booth helping other sponsors with there set up.

As a group All Alpine Shooters and Friends headed to Fremont St. for some fun. (We headed down with 33 and lost a few along the way LOL) I was able to put up 3 solid scores for my first Vegas Championship on Sunday afternoon.

A message from your President

March Madness has officially begun. It kicked off this weekend with the Missouri Deer Classic in Columbia. This was the second year for the Classic's new promoter. Ron Roper has definitely turned this event around. The show was a sell out as far as the exhibitors booths go. 12-Ring Archery ran a very successful 3D shoot for the second year in a row. MBH hosted a "Vegas" style target shoot and gave away almost \$800.00 in prize money. There were just over a hundred shooters this year. Just like last year, the MBH members showed up to help make sure that this event was a success. I can't say enough about the wonderful help that Kathy and I had this weekend. We had help from Friday morning set-up all the way through teardown on Sunday evening. We could not have not done it without you! Now to get ready for State.

February was a busy month for the target archers, too. There was Vegas and the NFAA Mid-west Sectional Championships. Missouri is always well represented at these shoots. This year there were a couple of "Home boys" that really made an impression at Vegas. A perfect round a Vegas is a 300 with 30 X's. Our very own Hoyt pro, Richard Potter, was one of three, out of over 1200 archers, that managed to shoot a perfect score. Chris Berry, from Sarcoxie, brought home a giant cardboard check for winning the Bowhunter Freestyle Championship division. Congratulations to Richard and Chris, and all the other MBH members who made it to Vegas this year.

The annual Conservation Federation Convention was also held in February. MBH's new Conservation Representative, Jeff Blystone was in attendance this year and will have a full report for us. Look for that in this month's issue of the Release.

RECEIPE DRY RUB

Dry rubs have become a popular way of tenderizing meat and giving it a distinctive flavor. One I found from Rocky Mountain Elk Foundation, worth passing on.

- 4 1/4 oz. of course ground black pepper
- 3 oz. smoked paprika
- 6 oz. granulated garlic
- 6 oz. granulated onion
- 1/4 oz. fine ground white pepper
- 2 tbsp dried thyme leaves
- 1 1/4 oz cane sugar
- 2 3/4 oz ground ancho chili
- 5 1/2 oz course sea salt
- 1/4 oz dried mustard

Combine all the ingredients and rub on meat 30 min. to one hour before cooking.

*Send your recipes; crock pot, appetizer or a full menu to Jack Davis, Large & Small Game Committee Chairman. Email to: jackandDiana@gmail.com
He welcomes any recipe sharing your "chef expertise".*

MISSOURI DEER CLASSIC

Earl & Jeanette,

Scoring

NODAHO BOWHUNTERS, INC.

Jeanette Brookshier, Secretary

As usual, BUSY is the word that describes February and March in the archery community as the indoor season winds down - what a great way to finish off the winter and get ready to welcome spring!

Nodaho members have been busy attending various tournaments. Rick Horn, Bill Brookshier, Jesse Camacho, Curt Criger & Quinn Talbott traveled to Moberly, Missouri on February 6 to shoot in the Missouri Archery Association state tournament. Congratulations to Bill, who set a new record in the Master 60+ division).

Nodaho also had a great showing at the Las Vegas tournament February 11 - 13, with a 8 couples attending - what's the saying about "all work and no play"?!! Combining archery with vacation were Tim & Cheryl Lewis, Tim & Connie Randall, Tom & Jenell Ciak, Rick & Sue Horn, TJ Horn & Tammy, Bill & Jeanette Brookshier, Quinn & Debby Talbott and Mark & Paula Goodridge. It was a great time and wonderful to get away from the snow and cold of Missouri for awhile. The Las Vegas tournament is THE premier indoor tournament in United States, with top archers from around the world competing. In the Compound Unlimited Male Championship division (with a winner's purse of \$25,000), we were so very proud of Nshan Thompson, who was on the lead bale going into the final round. Also making Missouri proud in this division were Richard Potter and Jackie White.

While we were in Las Vegas, other Nodaho members held our final 300 Round shoot of the season - here are the winners, full results can be found on our web site www.nodahobowhunters.com. There was quite a contest in the male freestyle division, with inside/out X's the final two ends breaking the tie between Lonnie Taylor and Jesse Camacho.

Quinn Talbott, Greg & Linda Parker and Tim & Connie Randall attended the Midwest Sectional Tournament at IBH in Kansas City on February 26 & 27. Congratulations to Linda Parker on being Sectional Champion once again in the FBHFS division. March will wind up the indoor tournament season with State and Nationals yet to go. Our indoor league is also winding down as we get ready for the outdoor 3-D season. Nodaho's outdoor schedule is the same as indoor - the 2nd Sunday of the month, so mark your calendars for our first 3-D tournament of the season on April 10.

Nodaho Bow Hunters had a good showing at the World Archery Festival Las Vegas tournament February 11-13. From L to R: Tim Randall, Mark Goodridge, Bill Brookshier, Tim Lewis, Quinn Talbott, T. J. Horn, Rick Horn & Tom (Big Bird) Ciak.

Also, Traditional Shooters need to mark their calendars for Saturday, June 11, as we are holding a "Traditional Only" shoot prior to our regular shoot on the 12th. As always, our tournament schedules can be found on our web site or the MBH calendar of events.

Hope to see you soon!

A PERFECT Score in Vegas!

Richard Potter joined an elite group on the last day of the **VEGAS SHOOT** this year by shooting a PERFECT game! For those of you that aren't familiar with the format, the round consists of 30 arrows shot over the course of 10 ends at a distance of 20 yards. The maximum point value that can be achieved for each arrow is 10 points. Additionally, there is an X ring in the center of each circle that is a just 3/4 of an inch in size. On Sunday, Richard shot a perfect game collecting all points and all x's for a total score of 300 30x. For his efforts, Richard was awarded \$500 from B-Stinger and \$325 from the World Archery Festival for his final finish. Richard's 3 day total score of 899 80x earned him 20th place in a field of 185 championship division competitors.

Richard's setup for this event was:

Hoyt Contender Elite (2000 limbs)
55 lbs draw weight
Strings and cables from Advanced Bow Strings
Specialty Archery peep & 3x scope
Copper John sight
33" B Stinger stabilizer with 12" B Stinger offset
Easton Full Bore arrows

INDEPENDENCE BOWHUNTERS

We held the 6th Annual Kansas City Shoot-Out on January 22-23, 2011 in Riverside, MO. This year we added a NASP Tournament on Friday, Jan. 21 which 27 kids participate in this event. There were 175 shooters for the Shoot-Out this year which was more than last year. This year we had a silent auction from merchandise that was donated by Carter Enterprises, BCY, Original Brite Site, Scott Archery, and Mary Kay Products. We also gave the top female and male trophy class score a Pulsar watch that was donated from Joslin's Jewelry. Our tournament sponsors were BB Archery, Vics Archery and Carter's Archery. We also had a raffle for a bow that PSE donated and Steve Johson was the lucky winner of the PSE Supera. We hope to see everyone at our indoor range in February for our tournament on Feb. 19 & 20th and again on Feb. 25 & 26th for the Midwest Sectionals.

We would like to thank everyone who supported our tournament on January 9th. We had a NFAA 300 round and a 360 Vegas round. Also, a big thank you to all the club members who came and helped me with this tournament.

WAYNE & VICKEY MARLER (816) 232-3450

from Cole Duensing....

Hello my brothers and sisters of the bow, I have a wonderful story to tell that is surely a great sign for the future of the sport of archery. Over the last month and a half, I have become quite active in the local NASP program at a small private school in my home town of Clinton, MO. The participation of the students have become a inspiration for me. To see kids from 4th to 12th grade become not only proficient in the sport of archery, but also enjoying the sport in the ways we all should, is exactly what is needed to continue the tradition of archery.

I am a senior at Clinton High School (Go Cards!) and unfortunately, they do not have a NASP program (National Archery in the Schools Program). The school that I graduated from 8th grade, Holy Rosary Catholic Church in Clinton, Mo, has fortunately brought in the program. The coach of the team, Mrs. Marnie Bellamy, welcomed me with open arms to join the team as a guest for the Kansas City Regional Tournament to be held in Warsaw, Mo. Over the last few weeks before the regional tournament, I had the privilege to watch over thirty students at the school come together as a team and do all they can to help each other shoot to the best of their ability. Not only that, but they were having **FUN**, a great sign for the future of the sport.

Finally, the regional tournament came around and I wouldn't have been able to tell if I was in a NFAA National Championship tournament or not by the way Holy Rosary's team persevered through the pressure cooker situation. In the end, many medals left that building in the hands of a shooter from Clinton. The Middle School team won the middle school class and a Holy Rosary shooter won the top spot in each age/gender individual division, as well as me taking first in the High School Male division. Through the Elementary and Middle School divisions, the majority of the top 5 metals were awarded to Holy Rosary students. The team carried on the momentum from regionals and headed for the 2011 MONASP State Championship. I could not shoot at the tournament, due to the fact I am not a student of Holy Rosary, but Coach Bellamy invited me to become assistant coach and help the team. I know you guys will do incredible at Nationals and I'll be right there to help you. Also, I say thank you to the MDC and NASP for having such a wonderful program for kids to learn the sport. Along with that, I would like to say thank you to Mr. and Mrs. Bellamy, as well as the Principal of Holy Rosary, Mr. Doug McMillan, for allowing me to become part of the team. I really appreciate everyone's hospitality and positive attitudes. I would like to ask the parents of children in school to talk to the faculty at their schools to see if they will bring in the NASP program. It's a wonderful program that teaches students responsibility, team work, and the best sport in the world, archery!

Conservation Committee

MBH members I am happy to report from the Conservation Federation of Missouri's (CFM) annual convention that a resolution for the addition of CROSSBOWS to the methods allowed during Missouri's archery deer and turkey seasons was soundly defeated at the CFM's general session vote on Sunday morning.

This resolution had passed out of two different committees on Saturday's committee meeting which is the first time this resolution has ever gotten that far. The resolution was passed through the Archery Committee and the Sportsman's Rights, Firearms & Hunter Safety Committee by one vote in each case. The same resolution was defeated in the Deer, Turkey, & Ruffed Grouse Committee by four votes. To quote lifetime MBH member Dick Wood "We were blindsided today by a stacked committee of Xbow advocates". We have weathered this storm but there will be more to come.

On the more positive side a resolution authored by Dick Wood was passed unanimously. This resolution asks the Missouri Department of Conservation along with the CFM and it's archery/bowhunting affiliates work to construct "world class" archery shooting facilities starting with the four major population areas of the state of Missouri, namely Saint Louis, Columbia/Jefferson City, Kansas City, and Springfield. Resolutions that pass are next presented to Missouri Conservation Commissioners and any other appropriate organizations to eventually become a reality.

One other aspect of my first CFM convention that I was very impressed with was the group of young people called the Conservation Leadership Corps (CLC). This group is comprised of young people ages 16 to 24 from all over the state of Missouri that have shown an interest in Conservation policies and procedures that will make up how we will manage our outdoor resources. The CLC is recruited and sponsored by the CFM and has proven to be a very valuable asset for the future of conservation. It was great to interact with the future leaders of Missouri's outdoor policies. If you get a chance checkout the CFM website at www.confedmo.org. To keep this short I will have more next month.

Happy Bow Hunting
