Brooke took up the sport of archery in March of 2011 when she got her first bow. She came to watch me shoot in a local league and said it looked like something she would like to try. We enrolled her in 4-H and she signed up for the shooting sports program. She began shooting in county invitational shoots whenever she could. Winning nearly every event she entered from the start.

Brooke Miller

Her indoor season began after she had won the 4-H State shoot back in September. We were then told of the indoor shoots she could participate in. We were still very new to the whole archery shooting world and new nothing of any of these shoots. My first real contact was with Kathy Potter who pointed us in all the right directions on what to do as far as registering, signing up etc.

Brooke is 11 years old and shoots in the CUB FEMALE FREESTYLE division. She won first place at the Presley's Midwest Open, MBH NFAA Indoor's, Iowa Pro-Am, Kansas City Shootout, MAA State Indoor, NFAA Midwest Sectionals, MBH Deer Classic, MBH State Indoor and NFAA Nationals. She came in second at the World Archery Festival in Las Vegas.

Brooke is looking forward to moving up in divisions from CUB to YOUTH next year. She knows that a big challenge waits for her there, both in distance and competitors. She is also looking to get more involved in outdoor, 3-D and FITA shooting as her "archery career" progresses. She is going to be trying her hand in the recurve shooting world as well to see how that could go.

By Kevin Miller

John Wilper

Jeff Friedmann

****Please read the stories of John and Jeff on the inside of your Release - equally as amazing and respected in our industry.*

Look for stories on more of our National Champions in future Release's.

A message from your President ↔

It was a good thing for MBH that there five weekends in March this year. Otherwise, I don't know how we could have possibly squeezed everything thing into a regular month. For Tournament archers this is the grand finally for the indoor season. And what a finally it was for MBH archers! The target shoot at the Deer Classic was the largest so far. The State indoor overall attendance was down a little, but the youth participation was the highest ever. There were several new records set this year at Linn! The NFAA National Indoor Championship in Louisville, looked like a MBH shoot. Everywhere I looked, I saw MBH people wearing MBH shirts. It was great. MBH is always represented well on the National stage. Check out the articles on just a few of our National Champions.

The MBH State 3D Championship will be hosted by Carroll County Bowhunters on August 11 & 12. The feedback from most of the shooters is that they want to go back to a two day shoot. Well, here you go! Carroll County is centrally located, they have been hosting tournaments for long time and have a fine reputation for hosting a good shoot. Just in case you haven't seen them, the Championship belt buckles are really something special. Archers are wearing them with Missouri pride. Now would be a good time to come and earn one.

I have received quite a bit of feedback about the Release going electronic this summer. Most all of it has been positive, but not all. Everyone agrees that they want MBH around for the next generation. From the looks of the shoots we have been hosting, that next generation is locked and loaded. In additions to cutting expenses, we must also think about building capital. How do we do that? Memberships! MBH memberships have dropped quite a lot over the past fifteen or so years. It is starting to grow, but we need your help. Jeremy Mason from Nodaho Bowhunters is the Ways and Means committee Chairman. He is working on some great promotional ideas to help increase membership. One of the ideas on the drawing board is a competition among clubs for a membership drive. The Board made some great strides in January to help grow MBH. One of them being the new Junior membership. We are already gaining members from that. We are on the right track to continue to grow. The New MBH Junior Championships will be held this month and MBH will again be hosting the Youth Fish Shoots this summer. None of these events would be possible without the support of our members.

I also want to personally thank everyone who helped make the State Indoor such a success! We had people helping in ever capacity. Kathy had plenty of help in the office. All of the shooting lines had three line judges to help keep things running smoothly. Teardown was quick and efficient. We can still use some more help for set up on Friday, but we were still ready for practice by 4 o'clock. A special thanks to Butch Herold and his crew for helping with the kids (and the parents). They did a wonderful job and that is not an easy task.

Jeanette Brookshier, Secretary

On March 24th, the 2012 Missouri National Archery in the Schools Program State tournament was held at the University of Central Missouri Multipurpose Building in Warrensburg. This event was promoted and organized by the Missouri Department of Conservation. 53 schools from around the state were represented resulting in over 1,169 competitors! This was the largest Missouri NASP state tournament held to date. The competition was very competitive and led to some very exciting shooting. In the elementary team division, George Guffey Elementary took 1st place while St. Joseph Cathedral captured a 2nd place with Simpson Elementary took the bronze. The top 6 teams in the elementary division qualified to nationals by scores (minimum of 2800 points accumulated by team). The middle school division was won by Ridgewood Middle School and Holy Rosary coming in 2nd; Crane Middle School came in 3rd. The top 12 teams in this division qualified for the national championship by their score (2900 points and higher). Finally, the high school division top three was Crane in 1st, Willard in 2nd, and Galena in 3rd. In the end, the top 4 teams in the high school division was qualified for nationals (3000 points and higher). More results, including all the individual scores are online at nasptournament.org. At the end of the day, the officials held a "Coach's Challenge." Each coach was allotted one NASP arrow (Easton 1820, full length, NASP spec) and a Genesis bow; paired at a target with another coach. They made one shot and the shooter "closest to the center" will advance the loser eliminated. To compound the pressure, the officials had the students line the waiting line and root (cheering, screaming, and all out noise) for their coach. This was great fun for everyone in attendance. In the end, yours truly was blessed enough to make it through the round, finishing with a 10X to win the competition. If you recall from some of my past articles, I am the assistant coach at Holy Rosary (the same one as the 2nd place in Middle school division team for clarification). I was awarded 2 new Genesis bows, 2 new Morrell targets, and a bow case, which I donated the winnings to Holy Rosary. The next competition set for most of the teams that qualified is the NASP National Tournament. It will be held May 11th-12th in Louisville, KY. This is an incredible program and I am honored to be part of NASP and of the Holy Rosary Archery program. I would like to say a big thanks to all who help their local NASP programs at schools by giving your time, the great folks at the Missouri Department of Conservation for putting so much effort into this program, and all the young students for taking interest in the sport. The future of the sport is bright my friends!

Aim Small and God Bless
Cole Duensing

WOW – can you believe it is March and we've already had to mow the lawn and will probably need to again before the end of the month? I don't know about where you live, but here in Northwest Missouri, a couple of inches of rain about a week ago really made a difference—things are GREEN, flowers are blooming, the weather is warm and the mushrooms can't be too far behind. Last evening when sitting on our patio getting ready to grill I heard turkeys gobbling to the north and soon turkeys to the south and west were answering—it doesn't get much better than that!! I guess Mother Nature is trying to make up for the miserable spring we had last year!

Our March indoor shoot held the week before state was definitely a success with 53 shooters. Full results can be found on our web site www.nodahobowhunters.com. There were some pretty impressive scores in the Male Freestyle division. Nshan Thompson led the pack with a 300 – 59X followed very closely by Jesse Camacho and Kyle Markt with 300 – 57X. Jesse inched Kyle for 2nd place by shooting 7 inside out X's over Kyle's 6 inside out X's the last two ends. Jesse was on a role, and also shot the Vegas 360 round with a 360-28X score.

Thirty-one Nodaho members attended the MBH State Indoor Championships in Linn, Mo on March 17 & 18. Congratulations to Sidney Leeper (CFBB), Ashley Thompson, (CFFSL), Madison Thompson (YFFSL), Dakota Leeper (YMRFSL), Connie Randall (AFFSL), Jason Thompson (AMBHFSL), Linda Parker (SFBHFFSL), Jenell Ciak (SFFS) and Marsha Criger (SFFSL) for their first place finishes. Second place honors went to Tim Randall (AMRFSL) and Tyler Pivaler (AMBHFSL). Rick Horn placed third in the senior male freestyle division and Tom Ciak got a third place finish in the second flight of the same division. It was the first time attending state for several members—I think we got them hooked!

We had our annual "end of indoor league—start of outdoor season" get-together on March 24. It is a good thing it was a beautiful evening—we opened the doors and children and adults alike enjoyed the mild weather. Chris Morrow decided we needed to build a bigger range to handle the crowd. As usual, the tables were overflowing with a wonderful assortment of food, once again proving Nodaho members are good cooks! Archery games were played and a good time had by all. President Shawn Leeper talked about the upcoming 3-D season and work day to get the outdoor range in shape before handing out league prizes. Winners: FALL LEAGUE 1ST Place: CHAMPIONS—James Pederson, Jerry Brookshier, Bill Brookshier, Tom Ciak; 2nd Place: FAST BOWS—Mike Hanig, Mike Mooney, Tyler Pivaler, Quinn Tallbott. SPRING LEAGUE 1ST Place: SURE SHOTS—Connie Randall, Jesse Camacho, Chris Morrow; 2nd Place: CLEAN TARGET— Tim Randall, Quinn Tallbott, Marsha Criger, Caleb Smith.

One more major indoor tournament—Nationals in Louisville coming up. After that, 3-D season will be in full swing with our 1st tournament April 8 followed by our Mother's Day shoot on May 13. Again, see our web site above or Facebook <http://www.facebook.com/nodaho> for details. Hope to see you there!

Your MBH expiration date is included on your mailing label!

For example, if the expiration is listed as 2011.07, means you need to mail your dues to the MBH Secretary by the end of July, 2011. Payments for membership renewals should be sent to MBH, P.O. Box 108, Huntsville, MO 65259. The cost is \$25 for an individual and \$30 for a family.

CONSERVATION COMMITTEE

As promised here is a quick summary of what happened at the Conservation Federation of Missouri's (CFM) annual convention this past February.

Friday evening's Annual Awards Ceremony (sponsored by Bass Pro Shops) started with the U.S. Pledge of Allegiance and the CFM Mission Statement. Hopefully everyone already knows the Pledge of Allegiance so I will only state the CFM's mission statement to give everyone an idea of what the CFM stands for. "Missourians for conservation of natural resources and protection of our outdoor heritage." The eight individuals honored Friday night were all nominated by fellow Missourians for their outstanding work in the fields of education, communication, legislation, wildlife, forestry, and conservation.

Saturday morning's keynote session started with Director Robert Ziehmer's report on the MDC. He stated that of Missouri's 6 million total citizens' over 2 million of us enjoy hunting and or fishing and that another 2.2 million Missourians enjoy other outdoor activities such as camping, hiking, and bird/wildlife viewing in our state. In other words 7 out of every 10 Missourians participate in the Missouri outdoors every year. He also said that in Missouri conservation pays! Economic benefits to Missouri are over 11.5 billion dollars every year. 95,000 jobs in Missouri are a result of outdoor conservation activities and for every dollar spent by the MDC out of the state budget Missouri gets 72 dollars in return to the states economy. Yep conservation pays its own way in Missouri.

Next the Department of Natural Resources first lady, Sarah Parker Pauley, spoke to us about Missouri's State Parks. Missouri ranked in the top 4 in the country for state park attendance last year. Attendance was up 9% to over 18 million visitors. Every year Missouri ranks in the top 5 for favorite US States to go camping in. She also told us about the upcoming expiration of Missouri's Drinking Water Primary Fee. That fee was enacted in 1992 to help the DRN assure Missourians have safe drinking water and needs to be renewed by the state legislator as it expires this coming September 1st.

After the keynote session CFM member's attended various resource committee meetings. My wife Kim and I attended the Archery Committee and the Deer, Turkey, & Elk Committee meetings.

The Archery Committee Chairman was MBH member Dick Wood and the Co-chair was David Smith of Bass Pro Shops. A lot of you know Dick and as always he did a fine job representing Missouri bow hunters. David Smith is a Bass Pro Shops executive in his professional life but he is also a Missouri bow hunter and I spoke with him about my concerns having a major outdoor retail executive promoting resolutions that would help his business.

David assured me that although his job is to sell outdoor equipment he also knows that it is in his best interest to work with all Missouri bow hunters and that the business of bow hunting in Missouri is very good as is right now. We heard reports from MDC personnel about Operation Game Theft, archery deer and turkey harvests for last year which were both up and in fact bow hunters set a new record harvest last year of over 150,000 deer. Archery permit sales were also up by over 10,000.

Three resolutions were passed from committee as well. The first was to continue support of the NASP and Bow Hunter Education programs in Missouri.

The second was to initiate a study to access the feasibility of an archery only spring turkey hunting season. The third was to include in the telecheck system what method (i.e. rifle, handgun, bow, crossbow, muzzleloader, or atlatl) was used in the harvest of deer.

At the Deer, Turkey, & Elk committee meeting MDC biologists Jason Isabelle (turkey), Jason Sumners (deer), and Lonnie Hansen (elk) all gave reports.

The bulk of the meeting was spent talking about the CWD found in 2 free ranging deer last fall in Macon County, Mo. Both of those deer were killed within two miles of a high fence deer hunting preserve that had two deer that also tested positive for CWD. I can tell you the feeling in that room was not good. Everyone is very concerned with this development and the MDC is continuing to sample other deer to determine the extent of this outbreak. This is something we all need to keep informed about. This is a very serious threat to the Missouri deer herd.

The elk introduction into Missouri is going well. Currently there are 36 free ranging wild elk in Missouri, 31 adults and 5 calves. Of the 34 elk brought here last spring three died. One death was from old age, one died from brain worm, and we had one accidental death of a young bull when he jumped from the truck during unloading and injured himself. 35 more elk from Kentucky are scheduled for release this spring.

Saturday evening was spent at the banquet dinner & auction. It is a great time to speak with people from all over the state. There are lots of MDC personnel as well as representatives from most of the CFM affiliated organizations. As one of those affiliated organizations, MBH joins forces with some 80 other conservation organizations to represent the Missouri outdoor community. Not only to the state's government agencies but also to national and worldwide conservation organizations.

Sunday morning's general session is spent reading the resolutions that were passed from the 16 different resource committees. They were each voted on and either passed to be sent on to the appropriate government agency or failed and died on the floor right there. We passed 52 different resolutions from this year's convention. Everyone should visit the Conservation Federation of Missouri's website at www.confedmo.org to learn more about Missouri's leading conservation organization.

Happy Bow Hunting

Butch's Sports World

Smokey Hollow Archers Win at National Indoor

Butch's Sports World had 10 participants who attended the NFAA National Indoor Championship in Louisville, Ky. Four of the shooters made the championship flights within their shooting styles and 2 of them came home National Champions. We at Butch's are proud of Brooke Miller and Jack Wilper for bringing home the Championships and fellow MBH member Jeff Friedman for his Championship win. We would also like to congratulate Cassie Hancock for her 3rd Place finish in the Championship Flight and all our other archers for the fine showing they made. Our results are as follows:

Cub Female Freestyle - Championship Flight
Brooke Miller Lewistown, Mo 1st Place NATIONAL CHAMPION

2nd Flight
Payton Miller Lewistown, Mo 4th Place (Payton 7 years old)

Senior Male Bowhunter Freestyle - Championship Flight
Jack Wilper Ewing, Mo 1st Place NATIONAL CHAMPION

Youth Female Freestyle - Championship Flight
Cassie Hancock Palmyra, Mo 3RD Place

Youth Male Freestyle - Championship Flight
Zach Burch Palmyra, Mo 7TH Place
2nd Flight: Logan Wehner Palmyra, Mo. 8th Place
3rd Flight: Justis Hogan Palmyra, Mo 11th Place

Young Adult Freestyle - 2nd Flight: Chase Wilson Lewistown, Mo 1st Place

Adult Male Freestyle - 7TH Flight: Larry Snodgrass Palmyra, Mo 9th Place

We have had a wonderful indoor season with our Cub and Youth shooters. They have won at tournaments in Ill., Ia., Mo. and Ky. Setting state records and winning national championships along the way. All of our Youth Division shooters were 12 years olds, competing mostly against 13 and 14 year olds.

LARGE & SMALL GAME COMMITTEE

It's Spring Turkey Time! I recently submitted a resolution at the annual Conservation Federation of Missouri's Annual Convention asking for a Spring Archery only Turkey season and I need your help to let the Missouri Department of Conservation know how much we enjoy chasing turkeys with our bows. So please send in those spring turkey harvests with pictures! Last year we only had two members submit spring turkey harvest

reports and I know there are more of you out there that are killing Thunder Chickens with your bows. It is really easy to go to the MBH website and fill out the large game harvest report. Just go the website at www.mobowhunters.org and click on Game Awards, Large Game App, and On Line Application then fill it out. When you hit send it comes directly to me via email. I will respond telling you I received it. Your email address will not become available to anyone else but me and I will not forward it or give it to anyone else.

Trust me on this because I hate all of that junk email as much as anyone! You can also send in you report thru the US Mail to me, a copy of the form will be included in this month's release. Also I will be asking for a photo and a story of your hunt. I like to hear those hunting stories and also share them with the rest on our members. Don't worry; you don't have to reveal your secret hunting spots other than the county you were in.

One last thing about Spring Turkey season. MBH currently has an award for the First Spring Turkey killed. Last year Jim Brinkmann got his bird on opening day to win that award. I am adding a second award this year called the Last Spring Turkey Killed. Hopefully that will give you some more incentive to turn in those harvest reports. Be sure to include the date & time of your harvest. In the past the award winners received a wall plaque and a hunting knife. We will continue with the wall plaque award but I am considering something other than the hunting knife to accompany the plaque. I will let you know about that later. I was thinking maybe a call or cool T-shirt instead of the knife.

Finally I would like to thank Jack Davis again for all of his hard work these last 20+ years as the MBH Large & Small Game Committee Chairman. Here is a picture of Jack & Frank Tolivar at this year's Deer Classic. Thanks Jack!

Congratulations to our National Champions!

Jeff Friedmann is the owner of Summit Archery right outside of St. Louis, in Labadie, Missouri. He has been shooting competitively in the archery industry for approximately 13 years. He has had the privilege of accepting the MBH State Indoor title several times, but has always had the desire and drive to make his way to the top of the nation. In 2002, Jeff was involved in a serious accident that left him with second and third degree burns on the majority of his body. When he was able to shoot again, he was worn out after twenty arrows. When this occurred he was at a point in his life where he was unsure if he would ever recover in his archery career. After a long battle of recovery, Jeff proved to himself and others that he had the capability and the will power to make a return. During the next three years he was using everything he had to bring him back to the top level of shooters in the state of Missouri.

In 2005, Jeff purchased Summit Archery and began living his long dream of running his own archery shop. Along with running his own shop, Jeff found that his time to practice became minimal. He vowed to himself that once the shop set and going he would devote more time to practice and get back to his old ways.

In February of this year Jeff seemed to prove his abilities once again taking the NFAA Midwest Sectional title in the Men's Bow hunter Freestyle division. Just a few weekends later Jeff took the second place title at the MBH state indoor. After winning these two titles Jeff felt the confidence to head to Louisville and give it his all at a dream to win the National Championship. After the first day at nationals Jeff was sitting in the top seat by one x. Headed into day two it was clear that Jeff had to shoot his best to keep off the remaining competitors. He was reported saying to his daughter Sunday morning, "How do I kick these nerves?" After a long day of waiting and sixty scoring arrows, Jeff was able to take a breath. Down to the last arrow Jeff was able to clinch the title and win the NFAA Indoor Nationals in the Men's Bowhunter Freestyle division.

After all the struggle that he has been through Jeff is able to say he is the best of the best.

By Amanda Friedmann

John Wilper, "known by his friends as Jack" of Ewing, Mo. began competing in 1979 and continued doing so until the late 1990's, during this time period he won many state and local events. Jack returned to tournament shooting in 2008, shooting in local leagues and outdoor 3-D tournaments.

In 2011 Jack competing in the Senior Male Bowhunter Freestyle Division won the MBH State Indoor and in December he took 2nd in the MBH/NFAA Indoor.

In 2012 Jack attended the MBH State Indoor and finished 2nd in the Championship Flight of the Senior Men's Freestyle Division. Jack just topped off the Indoor Season by winning the Senior Bowhunter Freestyle Division at the Indoor National at Louisville, Ky.

MBH Board of Representatives

March 18th Meeting Minutes

By Kathy Potter

The MBH BofR gathered at the State Indoor tournament on Sunday. The following clubs were represented:

Indian Trail- Faron Teague	NODAHO- Jeremy Mason/Shawn Leeper
Carroll Co- Jerry Denker	Willow Creek- Ryan Fitzgerald
Summit- Jeff Friedmann	Columbia Area Archers- Jim Sappington
Buder Park- Darryl Cooney	Three Rivers- Marvin Cobb
Vic's Archery- Dave Ritzer	Crossroads- Kaycia Woolsey
IBH- Henry Houk	St. Louis Bowhunters- Bob Brumback

Carroll County Bowhunters submitted a bid for the 2012 MBH State 3D Championship. The club proposed a 2 day event (August 11th-12th) to be held at their range (Walnut Hills west of Carrollton on Rt E). A total of 30 targets will be shot each day and center 12's will be scored. There will be a trickle start beginning at 7am on Saturday and will cut off at 11am. There will be a shotgun start on Sunday and shooters will be grouped with their peers. The fee will be \$35 for Adults and \$20 for shooters 14 and under. Carroll County will retain \$10 of the adult fee and \$8 of the youth fee to cover their expenses. MBH will run registration, provide awards and advertise in the RELEASE. Carroll county will setup the range and provide concessions on the grounds.

Discussion was held regarding the bid and Marvin made the following motion: MBH will pay 1 place for every 5 participants. A shootdown will be held for any class where 5 (or more) places are being paid. Shootdown scores will be added to the 2 day total to determine the winners. Darryl seconded the motion, a vote was taken and none were opposed.

Jeff made the following motion: MBH will pay 50% of the MBH entry fee portion for adult classes. Ties will be broken based on total # of 12's scored on day 2. Further ties will be broken at the discretion of the host club. Ryan seconded the motion, a vote was taken and none were opposed.

The bid submitted by Carroll County for the MBH State 3D championship was approved.

In other business, the group agreed that MBH clubs may advertise in the RELEASE calendar of events on competing MBH event dates ONLY if they are listed prior to the MBH event decision.

The MBH State Indoor Championship for 2013 will be held on March 9th and 10th. Unless an alternate location can be identified, the event will be held at Linn Tech.

Jeremy Mason made a motion to create a \$400 budget for the Ways and Means committee. The idea is to divide the state into sections and provide MBH kits (flyers, banners, etc.) that can be used at events to promote MBH. Jerry seconded the motion, a vote was taken and none were opposed.

No bids have been received for an MBH State 600 round. Clubs that are interested in hosting the event should reach out to MBH leadership. Meeting adjourned.
