## A message from your President

I have lots of topics to cover this month so I'm just going to jump right in.

The B of R meeting has been moved to August 25<sup>th</sup> at the Optimist Club in Columbia. There are a lot of things to talk about and we would like to get as many B of R and MBH members to attend as possible.

The State 3D Shoot will be July 27 & 28 in Carrollton, MO at the Walnut Hills Park. This shoot is sponsored by Carroll County Bow Hunters and MBH. New this year is the State 600 to be held in Salem, MO on August 18<sup>th</sup> at Indian Trails Archery. You can find registration forms for both of these events in this month's Release.

We are looking for MBH members to get creative and submit contest entries for a new MBH T-shirt design. Our logo on the front will remain the same, but the back of the shirts need a new look. You can find more information on the contest in this issue of the Release. We would also like to find out how many members would be interested in having hoodies made up with the new logo on them. Please e-mail Candy Bridger or leave a message on Facebook if you are interested.

I would also like to congratulate all of the archers that recently competed in the 4H National Invitational in Grand Island, NE. I know it is not easy to be chosen for the state team. I am very proud of you all. I look forward to seeing you at the MBH State Outdoor this weekend. Safe travels to all.

Jason Hancock

## My First NFAA Outdoor Experience

I was one of those people for years who just never really got excited about a NFAA Outdoor round. Some of the excuses ranged from, "I don't need to shoot out to 80 yards" and "I'm not much on spots, its not going to help me with bow hunting" and so on. My how times have changed! I finally broke down and shot my first outdoor round at the Midwest Sectional in Kansas City (Independence Bow Hunters). All I can say is WOW! That has got to be one of the most fun rounds I have ever shot! There was such diversity in the round that it almost caught me off guard. The first day consisted of Hunter targets, out to 70 yards in the adult classes, and the second day field (out to 80 yards) and animal targets. I can't express in words how much I enjoyed this round, so I won't waste your time but I will show you in pictures! My dad has become quite the photographer and here is a few of his pictures from Sectionals! Enjoy!

Aim Small and God Bless

## LARGE AND SMALL GAME COMMITTEE

You will need a small game hunting permit to legally pursue frogs with your bow. Bullfrogs and Green frogs are legal species you can harvest and the daily limit is 8 frogs with a possession limit of 16. There are lots of small ponds on most MDC public areas you can hunt but be sure to

Also be sure to send me any bow-fishing reports that you have. MBH still has two fish awards. One for the longest Gar taken and one for the heaviest fish taken with a bow all legal species included.

Frog Season? You bet! Missouri's frog season opened at sunset on June 30<sup>th</sup> and runs through October 31<sup>st</sup>. Frog hunt'in with your bow is a simple and fun activity during the summer months not to mention the good eatin that a mess of fried frog legs provides after the hunt. Shots are usually close and you can retrieve your arrows after the shot because the arrow buries into the pond bank instead of disappearing under the grass as it does when shooting at other small game like rabbits or groundhogs.

check each area's regulation's to make sure frog hunting is allowed. Gar taken and one for the heaviest fish taken with a bow all legal species included. By the way I did not receive any Spring Turkey Harvest Reports. So the award for the 1<sup>st</sup> Spring Turkey by an MBH member was not awarded for 2013. The deadline was June 15<sup>th</sup> so if you think you submitted a report before the deadline please give me a call.

## NODAHO BOW HUNTERS, INC.

Nodaho members Rick Horn, Tom "Big Bird" Ciak, Jerry Brookshier, Richard and Rita Piveral, Ron & Jan Gard, Bill & Jeanette Brookshier and friends from NWMAC Ed & Marsha Criger traveled to Columbia on June 15 to attend the Missouri Senior Games. After a shower the night before, the day turned out almost perfect (in spite of some wind) as Rick, Tom, Jerry, Richard, Jan, Bill and Marsha tried their hands at shooting 30 arrows at 60 yards, 30 arrows at 50 yards and 30 arrows at 40 yards (6 arrows at a time). Throw in two practice ends, and that's 120 arrows and a lot of walking back & forth to the butts! Congratulations to Rick, Jan and Marsha for their gold medals and to Bill for his silver medal finish in their respective age divisions. The trip home following the shoot wasn't as much fun as we ran into a horrific rain storm so bad we had to get off the highway on a gravel road and wait until the downpour subsided a bit so we could at least "see" the roadway – quite a harrowing experience! We look forward to going to the Missouri Show Me Games on July 27. Unfortunately it is the same weekend as the Missouri State 3-D at Carrollton, although I'm sure several Nodaho members will be there – sometimes there are just not enough weekends in a month to do it all.

Many thanks to all the archers who came to our 3-D shoot June 8 (Traditional Only) and June 9 (Regular Shoot). We had a wonderful turnout with 121 archers participating on Sunday. Although a little muddy underfoot, it was a great day to shoot archery. Results can be found on our web site at [www.nodahobowhunters.com](http://www.nodahobowhunters.com).

It is hard to believe that we have only three 3-D shoots remaining for the season. Our July shoot is coming right up on July 14. Our night shoot and appreciation shoot will be August 10 & 11, and our final shoot September 8 (annual used target auction following). If you are interested in primitive camping and weekend activities for the August shoot, give us a call (officers are listed in the MBH Club Directory).

Hope to see you soon!

## CONSERVATION COMMITTEE

It time to go on line at <http://mdc.mo.gov/hunting-trapping/deer-hunting/2013-2014-managed-hunts> and apply for the special manage hunts that the Missouri department of Conservation conducts every year. The application period is July 1st through August 15th. You will be notified of the selection by September 14, 2013. It's a simple process and you may get an opportunity to hunt a great area. Even if you don't get drawn for one of the hunts this year you still earn preference points so that your chances are better for next years draw. You can also look up the 2012 Managed Deer Hunt Summaries. All of last year's hunts are listed with your chances of getting drawn for any particular hunt and what the hunter success rate was for all of the hunts. Last year there were 16 archery only hunts offered and another 29 hunts for archery or crossbows.

The Archery only hunts had an average success rate of 49%. That's pretty good odds and a lot of the hunts offer the opportunity to harvest a buck and multiple does. This year there is a new hunt that has been added at the Ozark National Scenic Riverways in the Big Spring Area of Carter County. It's a three day hunt for antlerless deer only but there are 80 spots to fill and when a new area opens it usually means great hunting and lots of deer so you may want to check that one out. It is also a good idea to take the Missouri Bowhunter Education Course if haven't done so already. Some of the Urban Hunts will require you to be Bowhunter Education Certified. You can find the locations and register for the classes at the following website link,

<http://www.register-ed.com/programs/missouri/12-missouri-bowhunter-education-classroom-course>.

Currently there are six classes listed throughout the state. It's also time to start shooting your bow in earnest to prepare for the upcoming season. One of the best ways to practice that I know of is to shoot 3D tournaments. One tourney you will want to attend for sure is the MBH State 3D Championship held this year in Carrollton. It will be a two day event on July 27<sup>th</sup> & 28<sup>th</sup> this year that is sure to challenge your archery skills.

Happy Bow Hunting

## **Northside Archers St. Louis, Mo.**

Well here we are in the heat of the old summer time again. But you know, I think that my old bones like the heat better than the icy cold weather.

Our outdoor Tuesday evening league is going strong. The winners for the month of June were: Dan Jasa 1<sup>st</sup> with an average of 279.2, Bill Myers 2<sup>nd</sup> place, with an average of 274.2, and Garrie Miller 1<sup>st</sup> place in Recurve with an average of 257.1.

Dan Jasa swears that one day he is going to clean the Field round. He has shot three 279's in a row now. One little bobbie, doggone it. Still mighty fine shooting anyway.

Our range is getting a lot of shooters now. Ever since the Hunger Games movie came out, Archery has been picking up. It is great to see so many new archers. Even my grandson likes to do it. Between his Martial Arts and Archery his mother is always on the run.

Well the National Senior Games is coming up in Cleveland, Ohio at the last of the month. We hope our Barebow champion will keep up his streak of Gold Medals.

Our club picnic is in August this year at Matthew Park.

Don Will is to shoot the National Field Archery Association shoot in I think in Darrington this year. We hope he does well. He has to keep his string of attendance going. I don't remember how many he has attended, but he and Rose Lee Pridgen were tied for the most times to attending until Rose came down with that darned old arthritis.

By the time this comes out I guess the State Outdoor will be history. I hope you all done very well there.

Blue Springs range is a blast to shoot. A new range to shoot on that presents some unique shots. We really have a lot of fun there. Thanks to the Independence Bow Hunters for putting together a great range.

Thanks to everyone that asked about us having an Outdoor Field Round.

We are not going to be able to have one as long as the Parks department insists on us having a two million insurance policy for this event. Two hundred and fifty dollars just to put on one shoot is not very cost effective.

The heat of summer is upon us, but we will keep on flingin' them arrows.

Until the next time, may all of your arrows find Gold.

## **St. Louis Bowhunters**

Well by the time you read this, the State Outdoor and National Outdoor will be history. I hope that everyone did well in both events.

Remember if you want to know what's going on in our club and have access to a computer, just log on to [www.stlbowhunters.com](http://www.stlbowhunters.com)

We sure have had some rain and the grass and weeds are growing. I can't hardly keep up with the lawn mowing.

I did not put in for a Non-Resident Archery Buck Tag permit for Illinois this year. The price is just getting out of hand. I will see if there are any leftovers this year and buy a buck tag if there are any left. They are darn expensive though, but I know if I don't buy one, a monster buck will come ambling by my stand, and I will have to sit and curse myself for not having a buck tag. Oh well there are plenty of does around my stand always.

We hope to see you all at our next 3-D shoot on August 25, 2013 at the St. Louis Benchrest rifle Club out by Wright City.

Our first 3-D on Feb. 10, 2013 results are as follows:
