THE 2014 INDOOR SEASON IS IN THE BOOKS

The 2014 indoor archery season is finished and Missouri Bow Hunters was well represented through the entire season. From the beginning, with the Indoor 450 Tournament held at multiple locations across the state, to the climax at Indoor Nationals held in Louisville, our shooters came away with award after award.

Throughout the winter months, you braved horrible weather conditions, but snow and ice did not keep you from travelling to some of the most prestigious tournaments in the Midwest. Presleys, the Iowa Pro-Am and the Kansas City Shoot-Out all boasted record numbers. Many traveled to the World Archery Festival held in Las Vegas, and there was no shortage of awards for the Missouri contingent.

The Missouri State Indoor Tournament had right at 350 shooters, enough that a Friday evening line was added in order to make sure everyone was able to shoot.

Those numbers gave us the largest State Indoor in more than thirty years. The officers have already started tossing around ideas for next year's tournament. This will be very special, we will be celebrating our Golden Jubilee, commemorating our 50th State Indoor tournament.

The week following our State Indoor tournament, suitcases and more importantly, bow cases were packed for yet another weekend of archery. This time all roads led to Louisville and Indoor Nationals. More than 90 shooters represented MBH at the tournament. Each of them with their eye on the beautiful bowl awarded to the winner of each class. Again, you represented us on that podium with no less than 12 bringing home a first, second or third place award.

Congratulations to all who won throughout this indoor season, and thank you to all of you for making Missouri Bow Hunters such a great organization.

A Message from Your President

Recently, I returned home from turkey hunting in south Texas, to a rash of e-mails about 3D tournaments, NFAA Dakota Classic, and the CFM and MDC looking for support from MBH on upcoming legislation. While answering e-mails I started thinking about some of the controversy between spot shooters and 3D shooters.

Missouri Bowhunters is about bowhunting, however we still have a large amount of debate among archers with regard to the different types of tournament settings. What some fail to realize is the importance of everyone to come together as a whole in order to help preserve our hunting heritage. In the MBH constitution one of the first things talked about is working with the conservation organizations to protect our wildlife.

The tournaments that we ALL shoot with MBH, whether it be a 3D or spots, help pay expenses for representatives from MBH to travel to Jefferson City, and voice the opinions of the members of MBH.

Missouri Bow Hunters Life Memberships *for outstanding contributions to the sport of Archery*

2005*	Dr. Charles (Bert) Grayson (Honorary Life Member)		

* Deceased

Currently, legislation is trying to make the deer population fall under USDA domestic livestock regulations, instead of its current wildlife status. In short, we all need to pull together as one. Our voice needs to be heard, call you state legislation and express your opinions. Remember we are MISSOURI BOWHUNTERS.

Jeff Friedmann

2014 MBH STATE 3D CHAMPIONSHIP NEW RULES, NEW FORMAT, NEW ATTITUDE

HOST: CARROLL COUNTY
BOW HUNTERS
CARROLLTON, MO
MAY, 18 2014

“Like” us on Facebook or visit
www.mobowhunters.org for more information
and access to the new MBH 3D Rulebook

A Precursor to State 3D

Indoor State was a massive success and we owe it all to you, the MBH members! As you've probably heard, we had over 340 shooters, making it the biggest indoor state tournament in 30+ years. I would like to welcome quite a few new members, upwards of 70 or so last time I heard. Thank you for joining us and helping make MBH a bigger and better organization and helping us grow archery in Missouri. Indoor Nationals was a fantastic experience and I noticed so many MBH members there representing us! I must say that the NFAA put on a fantastic event, possibly the best I've ever seen. With Indoor Nationals essentially wrapping up the indoor season, it has shown to be a huge season overall. Every major indoor tournament had a growth in attendance or a record attendance. Even Nationals had an all-time record attendance of 1575 shooters. Cheers to the 2013-14 indoor season, it's been a great one!

Now, moving on to our spring and summer tournaments! How exciting is it that 3D tournaments are running and our State 3D is less than 2 months away!

We have new rules, a new format, and a new attitude for this tournament and we are excited for what is to come. The new rule book was created by our 3D Committee and encompasses lots of different parts of different organizations and ruling bodies. This new rule book can be found on www.mobowhunters.org and I would highly suggest you check it out before attending. Also, our tournament will be a one day format. This is a different from the previous years, but we are going to make it an action packed day. Registration will start at 7 am (but we highly suggest pre registering for ease on both us and you), shooters will be busted randomly, and shooting starts at 9 am with a shotgun start. Once all cards are in, placing will be figured and then we will have shootoffs! The feel and excitement of an ASA Pro Am now packed into our state tournament! The top 5 of a class with 20 or more shooters and top 3 of a class with less than 20 shooters will make the shootoffs. Each class will shoot off, providing the opportunity to everyone. It should be a great format that will give many shooters a shot at a belt buckle and a

payout! Speaking of payouts, the ASA payout schedule will be used! More \$\$\$ for higher placing shooters! It should be a great event and I highly urge everyone to make it to this one!

Looking forward, I will start promoting the State Outdoor tournament shortly (July 12 at IBH). This is an incredible format that everyone should at least try. Once you try this format, it won't be your last! Also, I'm looking at interviewing some professional archers, industry insiders, or someone else in the archery world and bringing it to you in the coming months. Until then, get out there and shoot some arrows!

Aim Small and God Bless
Cole Duensing

NODAHO BOWHUNTERS, INC.

Whew! It's been a whirlwind of activity again in the world of archery as the indoor season came to a close. Thirty-seven Nodaho members traveled to the State tournament in Linn to compete. It was so good to catch up with people we don't get to see all the time. Congratulations on their first place wins to members Linda Parker, SFBHFSL; Rick Horn, SMFS; Jenell Ciak, SSFFS; Marsha Criger, SSFFSL, Quinn Talbott, SMFSLR and Tim Randall, AMFSLR. Nodaho also had a good showing in the team event with seven teams, four of which brought home the gold – Female Bowhunter Freestyle, Female Freestyle Limited, Senior Male Freestyle and Super Senior Male Freestyle. Congratulations to Steve and Candy Bridger and the others involved in running a successful tournament with a near-record turnout.

Nodaho members traveling to Louisville for Nationals were Tim & Connie Randall, Larry Mincy, Richard & Tyler Pival and Greg and Linda Parker. Linda Parker brought home a silver bowl in the Senior Female Bow Hunter Freestyle Limited division, and Tim Randall a third place medal in the Adult Male Freestyle Limited Recurve division – congratulations!!

We also held our annual "End of Indoor, Start of Outdoor" party at the indoor range on March 22 with a terrific turnout. As always there was an abundance of good food and we had several "shoot offs" for league team ties. Archery games were played and a good time had by all.

3-D season begins with our April 13 tournament. This is our annual known

yardage tournament, with a twist this year. Instead of marking the yardage ourselves, we are asking archers to bring their own range finders – should be fun! I do want to emphasize that this is the only shoot of the year where range finders are allowed. Our outdoor league nights will begin on Wednesday following the shoot – I am SO looking forward to being in the great outdoors without winter coats and gloves! The annual Mother's Day shoot will be on May 11th and, as usual, Mothers get to shoot for free!

We hope you can join us!
-- Jeanette Brookshier, Secretary

CONSERVATION COMMITTEE

78th Annual Conservation Federation of Missouri Convention Report

Having just returned from Jefferson City after attending my 4th convention as the MBH representative I continue to be impressed by the conservation system we currently have in the state of Missouri. There are lots of issues being debated in the Missouri legislature that will negatively impact the way conservation is regulated in Missouri. We must all be diligent and try to keep abreast of the proposed changes and stop them from becoming political and regional decisions that hog tie the Missouri Department of Conservation from managing our outdoor resources. If we let politicians make the decisions instead of using MDC biologists, the Conservation Commission, and the Conservation Federation of Missouri to manage Missouri Conservation it will negatively impact every aspect of the Missouri outdoors and its related industries.

There are three major areas of concern;

1. A Constitutional Amendment is being proposed that if passed by the legislature would call for a state wide vote to allow a Joint Committee of the House & Senate to approve or disapprove everything the MDC does from state conservation land management to fishing & hunting seasons. I don't always approve of everything the MDC does but I really don't want politicians controlling what happens to our conservation resources!
2. Legislation is also being proposed to reclassify captive deer and elk as agricultural animals just like cattle & swine. This would effectively remove the MDC from having any authority over the almost 300 captive facilities in our state to control diseases like CWD that could infect our wild deer herd. Currently the MDC is trying to control the spread of Chronic Wasting Disease that was discovered at a fenced deer hunting facility in Macon County. Even if you don't agree with the regulations that the MDC has issued for the six county CWD containment zone surely you agree that the MDC has the right to protect our wild white-tailed deer herd and the hunting heritage we all enjoy.
3. Legislation to transfer the Ozark Riverways from National Park status and protection to the state of Missouri. The National Park System has operated the Riverways for nearly 50 years and should continue to do so. If the State of Missouri takes over it will cost the Missouri State Park System 8 million dollars annually that it doesn't have in the budget.

It's up to us to let our state legislature's know we don't want any of these things to happen. So call, email, or tell them face to face to stop!

Here are a few highlights from the Conservation Federation of Missouri convention this past weekend.

* 34 Resolutions & recommendations were passed onto the MDC, DNR, & State Legislature covering subjects on enhancing State Park facilities, pollution control & cleanup, wetlands management, quail habitat, solar energy, waste management, sportsman's rights, NASP programs, and inspection requirements for the captive cervid industry.

* 1 Resolution did not pass by a general session vote on Sunday morning. This resolution would have allowed crossbows in the general archery season for youth ages 6 to 15 and adults 65 and older. It was soundly defeated with only 3 yes votes and 100+ no votes.

* MDC NASP program is alive and well. Student participation will top 100,000 at over 340 Missouri schools this year. Funding for the program will increase in the 2014/15 school year as well.

* MDC will be holding public meetings to get input from hunters over the summer about deer management practices. Antlerless permits are being cut back across the state. Season dates and length will remain the same for 2014.

* No new cases of CWD were found during the 2013 deer season.

Happy Bow Hunting,

Jeff Blystone

LARGE AND SMALL GAME COMMITTEE 2013 Annual Game Award Winners

*1st Spring Turkey- Be sure to record the date & time of the kill. Winner
 –No Entry

*1st Fall Turkey- Be sure to record the date & time of the kill.
 Winner –Jim Brinkmann 10/5/13 at 7:00 am

*1st Deer- Be sure to record the date & time of the kill, we usually get more than one opening day kill.

Winner –Dan Jasa 9/15/13 at 5:00 pm

*Last Deer- again we usually get several reports near the end of season.
 Winner –Monica Friedmann 1/12/14 at 4:50 pm

*P&Y Typical Best Buck- Must have a copy of the score sheet from a qualified P&Y, B&C, or MABB scorer. Green score is acceptable. Winner
 –No Entry

*P&Y Non-Typical Best Buck- same as above. Winner –No Entry

*Lucky Deer- At the start of the season an average field dressed weight is chosen at random by me. The member that harvests a deer at that weight or closest to it wins the Lucky Deer Award. 2013 weight was 94 lb.

Winner –Charles Cashett Jr. 95 lbs. On 10/18/13

*Grand Slam Award- If any MBH member fills their Archery Permit (2 deer & 2 Turkey) they will receive this award and one lucky Grand Slammmr will be drawn to receive a \$25 BPS gift card.

Winner –Allen Boesch & Jim Brinkmann

*Big Fish Kill- biggest fish kill by weight (all legal species included).

Winner –Kenton Hayes, 47 lb. 1 oz. Grass Carp on 6/29/13

*Longest Gar Kill- measured in inches to the closest 1/4".

Winner –Kenton Hayes, 54&1/2" Gar on 8/1/13

Dan Jasa - 1st Deer Killed Award

Monica Friedmann - Last
 Deer Killed Award

Forest Park

5595 Grand Drive

St. Louis, MO

Hosted by Summit Archery

Registration Forms in the Release or online at www.mobowhunters.org/2014-State-600.php

LARGE AND SMALL GAME COMMITTEE

Season Summary; 16 MBH members turned in reports last season. There were 45 deer reports, 6 turkey, 2 fish and one coyote for a total of 54 reports during the past year. Ten members killed more than one deer.

1 killed two deer, 3 killed three deer, 4 killed four deer, and 2 members killed six deer this season. There were 31 does, 10 antlered bucks, and 4 button bucks harvested. For the third year in a row no one turned in a P&Y buck entry. I saw some photos of bucks that would have qualified but no one submitted an entry. This year the average shot distance was less than 20 yards with average shot of 18.9 yards. This past season 29 deer were harvested in the PM hours and 16 in the AM hours.

Carbon arrows were used on all of the harvests and broadheads were split right down the middle with 19 mechanical and 18 fixed blade designs used on the deer kills. One member Tom "Big Bird" Ciak actually used a flint knapped broadhead to take his buck! Only 3 deer were taken on public ground. 44 deer were taken out of treestands and only one deer taken from a blind.

There were only six turkey reports submitted, all six turkeys were killed in the fall, submitted by 3 members. Three of the birds were shot from a blind, two from treestands, and one by stalking. Average shot was 16.33 yards. All six turkey kills were on private ground. One member harvested 3 of the turkeys reported this year.

I received only 2 fish reports and one predator report for the past year.

Just for fun I looked at the manufacturers used in the harvest reports this past year and came up with the following;

-- **Mathews Bows** had 25 kills last year and were used by five of the 16 reporting members.

-- **Hoyt Bows** had 8 kills last year and were used by 2 reporting members.

-- **PSE Bows** had 4 kills last year and were used by 3 reporting members.

-- **Ross Bows** had 6 kills last year and was used by 1 reporting member.

-- **Prime Bows** had 3 kills last year and was used by 1 reporting member.

-- **Excaliber Crossbow** was used by a handicap member to harvest 6 deer and 2 turkeys this past season.

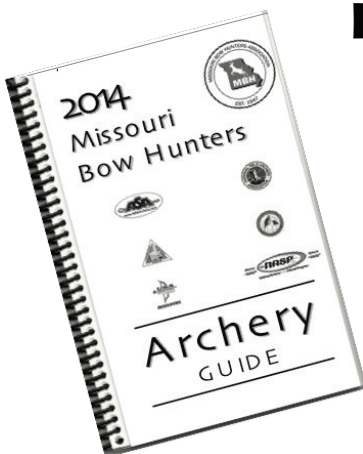

Four different arrow manufacturers were identified with **Gold Tip** arrows being the top brand, **Easton** arrows were second, **Beaman** third, and **Carbon Express** was fourth.

Fixed blade broadheads most often reported were **Muzzy's**. Also used were **Terminal**, **Montec**, **Sonic**, **NAP**, and **Magnus** along with the one **Flint Knapped** broadhead.

Mechanical broadheads most often reported were **Rage**. Also used were **NAP**, **Montec**, & **Grim Reaper**.

Remember to turn in your spring 2014 turkey harvests. MBH recognizes the 1st spring turkey harvest by a member with a framed certificate and a \$25 Bass Pro shops gift card. Be sure to record the date and time of the kill on the report. Youth season is April 12th & 13th; regular season is April 21th thru May 11th.

Happy Bow Hunt'in
