Volume 48, Issue 10

To say we had a great tournament would be an understatement! The 2014 State Indoor Tournament held at Linn Technical College in Linn, Missouri boasted the largest number of registered participants in over 30 years. We also set a new record for number of young adult, youth and cub shooters with 140 shooting in the individual competition and a total of 152 including those who participated in the team shoot only. The noon shooting line was completely full almost 3 weeks before the tournament, and then the 9 am line was full less than a week after that. We purchased 2 additional bales, thinking that by adding 16 additional shooting spaces that we would have plenty of room, but the registrations just kept coming. With a week and a half before the tournament left to go, we added the Friday night line, and had 42 shooters registered and shooting on Friday evening. Overall, it was a great tournament and an even better chance for everyone to get together and catch up with friends. We have received lots of positive feedback on our Facebook page, and will continue to watch for your observations and comments so we can continue to improve and grow from here. 2015 will mark the 50th anniversary of the MBH State Indoor Tournament and is sure to be even larger than this year's event.

### **Records Fall at the State Indoor**

With the addition of the Silver Senior classes, lots of new state records were set this weekend. Two other state records fell this past weekend, records that had been held for well over five years. Jeff Friedmann broke a record set in 2007 by Kenneth Friedman for Senior Bowhunter Freestyle, shooting a score of 600 with 106 x's. Nick Younger set a new Indoor State record, breaking a record that was set in 2005 when Brandon Hood shot a 600 with 119 x's. Nick's final score on Sunday was 600 with 120 x's, a perfect target.

The day was doubly special for Nick and his dad, Dan. The final arrow on Sunday was the last arrow Nick will shoot as a cub for Missouri Bow Hunters, next year he will move to the Youth division.

# A message from your President

Hello to all.

As I sit here the last day of Indoor Nationals and reflect on the Missouri State Indoor with a near record crowd, I can't help but think what next year will bring. With it being the 50th anniversary of indoor tournaments for MBH the sport of archery is clearly growing like it did in the early 80's. There is a record crowd at the Indoor Nationals this year with their 75th anniversary. It is clear that Missouri Bowhunters is being well represented here this weekend. With indoor season coming to a close, I can only hope that this trend will carry into the outdoor season.

With spring turkey season being only weeks away, I want to remind all successful hunters to turn in your large and small game reports to Jeff Blystone. You can get this information off of the MBH web page.

In closing, I want to thank everyone who helped make this years Indoor Championship a success. Also, a special thank you to Steve and Candy for their hard work getting things prepared for the tournament and their prompt work in the office to help the tournament run smoothly. Good luck outdoors and shoot straight!

### Jeff Friedmann

Well, the way our dates fall, this issue of the Release will be after our MBH Indoor State Tournament. I know it will be a great tournament and it appears at the time I am writing this, it should be a near record turnout (or at least at our present location). At a week prior to the tournament, we have over 300 shooters and a completely sold out team event, so that is certainly incredible. I will have more to cover on this next month as well as my first experience at NFAA Indoor Nationals.

Since I can't say too much about State Indoor yet, let me just cover a little bit about how this tournament has grown lately. When we sat down last fall in Columbia, we (meaning Jason, Steve, Candy, Jerry, and myself) agreed that there was plenty of growth still available in this tournament as well as all of our other tournaments. We asked ourselves what it would take to improve our tournaments and what we can do to draw attention to them.

Nodaho Bow Hunters held their final indoor tournament February 8 & 9 with a good crowd in spite of several members being gone to the Las Vegas World Archery Tournament. Results can be found on our web site www. nodahobowhunters.com.

Nodaho members shooting in the World Archery Tournament in Las Vegas that same weekend were: Rick Horn, Tom "Big Bird" Ciak, Bill Brookshier, Cody Sisk, Tim Randall and Jerry Hughes. Cheerleaders for the group were Connie Randall, Jeanette Brookshier & Amy Tyler. "In the money" in the Freestyle Unlimited flights were Rick Horn with a 3<sup>rd</sup> place finish in flight 8 and Tom Ciak with an 8<sup>th</sup> place in flight 19.

### This and That

With this motivated group of people, we made a plan and stuck to it. We knew that the new Archery Guide would be a great way to get the word out to members and non-members alike. I believe this is one contributing factor. Also, the wonderful trend of increasing interest in indoor archery is spreading like wildfire. Clearly, all major indoor tournaments have seen record setting attendance. Another contribution to the increased success is the amount of advertising we have done. Through the use of Facebook, we have utilized our organizations page to pass along information about the event. Also, I personally created some promotional advertisements and posted them to the most active archery Facebook pages weekly, if not more often. My apologies to anyone who might have gotten tired of seeing the ads, but we received a MASSIVE amount of interactions and communications with archers interested in the tournament. I personally had many people contact me for information and

### NODAHO BOW HUNTERS, INC.

As usual, the warmer weather and Las Vegas atmosphere made for a great February getaway as they escaped the snow storms and minus degree temperatures for a week.

Greg & Linda Parker, Brett Nelson, Larry Mincy and Alex Leonard traveled to IBH February 15 & 16 for the Midwest Sectional tournament.

Two more Nodaho members recently scored their very first 300 Rounds on league night. Richard Piveral joined his son, Tyler, who I reported on last month. Alex Leonard shot his 300 a week later. Their hats were hung on the target butts and shot full of holes by archers who witnessed the events. I know Steve and Candy also had many people contact them.

Looking forward, this massive surge of participation and memberships are a great step for us as we look to our summer time tournaments. Look forward to the same promotional push for State 3D and the various field and outdoor state tournaments! Our State 3D will be unlike any 3D MBH has held. We have totally revamped and created a rule book to be used, no more confusion on what rules we will use! Also, we will be using the ASA payout scale! Many more features to come in future issues of the Release. Keep an eye out on the website and Facebook page!

Aim Small and God Bless Cole Duensing

Alex commented that he didn't mind since the hat he was wearing that night was his Dad's!!!! Congratulations to you both!

Indoor leagues are winding down as State and Nationals approach. Don't know about you, but I am sick of winter with cold and snow - - - sure hope we're on the downhill slide and Spring is not too far off! Hope to see you soon!

### CONSERVATION COMMITTEE

The following are some excerpts from an editorial written by the new Conservation Federation of Missouri's Executive Director Brandon Butler.

Right now, there is a proposed constitutional amendment working its way through the State Capitol that would completely change the way conservation is regulated in Missouri. If approved by voters, SJR42 (Senator Schmitt from Kirkwood) and HJR57 (Representative Barnes from Jefferson City) would create a permanent Joint Committee on Administrative Rules. Meaning, the General Assembly would govern conservation. Biologists should set squirrel seasons and fish limits, not politicians.

If SJR 42 or HJR57 were to pass, rules brought forth by MDC would have to pass through a General Assembly approval process. According to the language in the bill, "Any rule disapproved by majority vote of the committee shall be held in abeyance and not effective until the conclusion of certain legislative and judicial action." If the General Assembly could not agree on the opening day of deer season, instead of sitting on a hillside waiting on a buck you'll be at home waiting on politicians to decide when to allow you to go hunting. That's not what I want. Doubt you do either.

Currently, MDC is governed by the Conservation Commission, which is made up of four commissioners that serve statewide, serving both urban and rural Missouri. No more than two commissioners may be of the same political party. The checks and balances come with the appointment of volunteer citizens by the Governor and confirmation by the Missouri Senate. This process has worked for more than 75 years and serves as a successful track record. Our current conservation governing system is truly an apolitical, scientific-based agency. It must stay that way. Missouri does not need to go back to partisan-politic days.

The citizen-led Conservation Commission is responsible for approving or disapproving all regulations promulgated by MDC. The rules passed by the Conservation Commission do not go to the Joint Committee on Administrative Rules/General Assembly for final approval. In this sense, MDC is unique, as it has been since the 1936 constitutional amendment that created the Conservation Commission. MDC is never going to please everyone. No organization of the masses can. However, MDC goes to great lengths to gather citizen input through public meetings, outreach efforts, workshops, online surveys, and research prior to proposing and setting rules.

I agree whole heartedly with Brandon's comments and have contacted my state legislators to tell them so. It's important that you do the same if you want to keep politics out of Missouri's Conservation system. For some reason this springs legislative season has been especially challenging with respect to the Missouri outdoors. This constitutional amendment proposal has gotten some support and is a legitimate threat to get out of committee and onto the legislative floors for debate. I will update

you next month on this situation.
