The Shot of a Lifetime...a Gift from God

Monday morning, November 12, the last week of archery season before gun season hit. I hadn't seen much all season. Passed on a decent buck once, since we were to be gone for a long weekend. Had missed two shots on does due to 'poor judgment', and the freezer was not getting full. So, it is with great joy that I can tell this story of 'the buck of my life-time.'

It all started that Monday am. I arrived at my tree stand around 6 am and enjoyed a great sunrise. About 7:30 am, I saw a buck across the ditch. But I lost him when he went behind a brush pile. I rattled, can called, and grunted. But neither that buck nor any other deer showed up. So I stopped trying to talk deer, and watched the squirrels play.

Twenty minutes later, I heard crunching of the leaves. I thought it was the squirrels, since I had been watching them all morning. I am an old hunter, I did not get excited. But.....

About 20 yards away, I see antlers just showing at the top of the ditch. Seen one side and counted 8 points. Then HE walked straight toward me and took a right hand turn at 13 yards. I grabbed my bow (a Mathews Creed XS with the purple QAD rest and a Black Gold sight), and drew back. My focus was entirely on that animal. I can't tell you if I was seated or if I was standing. I do remember that what I saw in the peep was a tree. But I had both eyes open so I was able to follow the deer as it walked by the tree. I saw a spot and took the shot. I watched as my Victory VAP arrow with lumnok, tipped with an Ulmer Edge broadhead disappeared in the lung area of the deer. The deer

Change is in the Wind and Missouri Bow Hunters is Making it Happen

Tournament Changes

At the August B of R meeting, we discussed our charter with NFAA and what it means for not only the NFAA, but also for Missouri Bow Hunters.

One of the topics we discussed has to do with our tournaments and compliance with the NFAA Constitution and ByLaws, specifically addressing the use of "State" and "Championship" when referring to state level tournaments. It was decided that beginning in 2015, our State Indoor Championship held in March, will take the place of the 450 Round that currently takes place in November/December, and so the 450 will no longer happen after January, 2015. The State Field Championship, held in July will remain an MBH/NFAA tournament. The State 600 Championship, that began in 2013 will now be an MBH/NFAA tournament too. The MBH State 3D and the Youth Jamboree will continue as they do currently.

What this means to our members? In order to be eligible for awards and/or prizes, you will need to be both an MBH member and an NFAA member for the "Championship" tournaments going forward. Since a large number of our

members already hold either an NFAA or USA Archery membership, you will not need to do anything else. If you have questions or need clarification, please don't hesitate to reach out to the officers or to your BofR for more information.

Scholarship Changes - 2 Scholarships to be Given

At the August B of R meeting, we discussed the Paul Jeffries Scholarship, and how that should be awarded each year.

Previously, a scholarship of \$500 was presented to one young person to help with college fees and costs. We also discussed how to raise funds to make sure the scholarship continues for many years to come, and we have some really great ideas we will be firming up in the near future.

It was also decided that, effective with the 2015 presentation, MBH will present a \$500 scholarship to one boy and one girl. There is a copy of the scholarship application included in the Release and online at <http://mobowhunters.org>.

A Message from Your President

(continued from page 1)

We are in most of our favorite time of the year, cool weather the hunting has been GREAT and the Holidays are approaching. Many MBH members have taken some great trophies already this year with a bow and the season is only half over, be sure to send your pictures and a game report to Jeff Blystone who knows you just might end up in the RELEASE.

These times of year always has everyone knocking the dust off their target set up and getting ready for indoor season, so take a look at the calendar and mark it for Nov 30 or Dec 7 for the State 450 round, there are several locations to choose from. Scores won't be posted until the Dec 7 date has been shot so please don't call asking for scores until all have been shot and turned in, they will be posted in a timely manner probably on the 8th sometime.

Ballots were mailed out with a brief Bio from each candidate please take time to read the bio and cast your vote, the ballots must be postmarked by Dec 30th. in order to be counted. The candidates for office are as follows:

President: Jeff Friedmann or Steve Bridger

Vice President: Dan Jasa or Jerry Denker

Again all ballots have to be postmarked no later than Dec 30 or they will not be counted.

I hope everyone has a very
HAPPY THANKSGIVING!

Jeff Friedmann

walked 6 yards and stopped. He looked around like as to discover "what just happened to me." He took a deep breath and as he exhaled, I could see a mist of red coming from the holes on each side. In my mind, I was yelling 'fall, fall, don't go in the ditch'.

He didn't take another step. He wobbled, and then fell on his back. All four feet were straight up in the air like an opossum dead on the side of the highway. Then he dropped to his side, done for. Just 19 yards from my stand. Man, I felt blessed. I took a look with the binoculars and all I could think was 'holy crap, he's big.'

I started shaking so bad I couldn't safely get out of the stand. I tried to text my wife and texted the wrong number. I did call her and told her I shot a big one and that I was shaking bad. She told me to stay in the stand till it was safe. It took a full 15 minutes before I could get my gear, my bow and myself down from the tree stand. As I walked over, I just had to thank the Lord for bringing this amazing buck within my arrow's reach.

Yes, I am proud and I took lots of pictures with my phone. And I am humbled by the fact the photos may not be high quality enough to put in a publication. The buck is definitely worth showing off. The buck's rough score is 209 1/8. We are waiting for an official green score.

God Bless Ya.

Thanks for reading the ramblings of an old man.

MBH Officer Election Time is Here!

Ballots have been sent to all Missouri Bow Hunters Active Members

Every Vote Counts

Ballots need to be returned no later than December 31, 2014

The Rut is On!

The rut is in full swing as I write this and the temperatures are dropping quick! The opportunity hasn't shown itself for me yet this season but many other hunters have seen great success! I is great to see a good year after our state's last bout with EHD. Something I have been noticing is the quality of deer so far this year. For the most part, the genetics of the bucks taken this year has been of high quality and very healthy looking. Even the deer I have seen personally this year has shown the same characteristics. Make sure to hit the woods as much as possible this year, there is a surprising amount of quality deer out there! Hopefully I will be able to tell you all a good story next time if I can harvest a deer!

Make sure to fill out a MBH Large Game Report when you do harvest a deer or turkey too! This information is for our records, it helps the MDC understand the deer herd, and we even give awards and prizes for them! It will be quite interesting to see the big buck award winner at the end of the year, it should be a good one!

Of course, we can't forget about paper punching as we get into winter! The MBH NFAA State 450 round is coming up at the end of November/beginning of December. Check out the flier and select a destination and make sure to contact them to sign up for dates/times. There are different locations, dates, and times this year and it should turn out to be a great event. After you get that deer on the ground, break out the target bows and fat shafts and poke some paper!

Nodaho Bowhunters, Inc.

MBH and Nodaho Bow Hunters member Quinn Talbott harvested a really nice doe the morning of November 2. To make the event even more special, Quinn watched the doe come in to about 10 yards from his ground blind and downed it with a longbow that he had crafted himself – he even used cedar shafts!!! Congratulations Quinn!!

The harvest is starting to wind down in Northwest Missouri, so maybe we'll have more archery reports.

Our first indoor league will start Thanksgiving week – right around the corner! Nodaho will also be host to the State Indoor Championships – our date will be November 30. Lines will be 10:00 am & 1:00 pm. We will also host our first indoor 300 or 360 Vegas tournament the weekend of December 13th & 14th, lines will be 6:00 pm on Saturday and 10:00 am & 1:00 pm on Sunday. Please be sure to call ahead to reserve your space – the officers are listed in the Club Directory.

Hope to see you soon!

Officer Nominations for 2015-2016

Nominations for President:

Steve Bridger & Jeff Friedmann

Nominations for Vice President:

Jerry Denker & Dan Jasa

Ballots will be sent to all members in good standing on November 1, 2014 and will need to be postmarked and returned in the preprinted and addressed envelope no later than December 31, 2014

News From the Stump

Kathy Potter

NFAA Director - Missouri

potter.mbh@cvalley.net

Break time is over! Target shooters have been enjoying some much needed rest before the start of Indoor and Bow Hunters have been gearing up for the peak of bow season. Now it's time to take action on both fronts! Many of you will be climbing back into your stands after firearms season, and other will be dusting off competition rigs to start practicing for Indoor. A few of you are actually trying to do both! Whatever your passion, it's time to get busy and start enjoying some ARCHERY!

Most of you know that Missouri Bow Hunters holds the state charter for the National Field Archery Association. Among other things, state charter holders are required to hold 1 state indoor championship sanctioned by NFAA, every year. In order for it to be a sanctioned event, NFAA rules must be followed and participants must hold an active NFAA membership.

This year our NFAA Sanctioned State Indoor will be held at multiple locations across the state over a period of two weekends beginning November 28th and ending December 7th. The tournament consists of a single NFAA 450 round. Please see the flyer in this month's issue for registration information. We hope you will support MBH/ NFAA and participate in this Indoor event!

For 2015, the MBH Board of Representatives has voted to revert back to a single Indoor State Championship that will

be held in March at Linn, MO. Both MBH and NFAA membership will be required in order to participate.

The NFAA National Indoor Championship will be March 14th and 15th, 2015 in Louisville, KY. Last year it was really difficult to find rooms. The other day, we took a chance and called the Hyatt, which is connected to the Convention Center. They already had a block of rooms available at the special archery event rate of \$109 per night. This is a really nice hotel and the best part is parking your vehicle for the weekend and being able to walk to anything you want to do. However... If you are interested in staying there, you might want to book early. Here is a link: <http://louisville.hyatt.com/en/hotel/home.html>. Make sure to ask for the special archery rate of \$109.

If you are not an NFAA member, I hope you will consider joining the NFAA family. Membership enables you to participate in all the NFAA/MBH State, NFAA Midwest Sectional and NFAA National events for a full year from the date of registration. Please don't hesitate to reach out to me if you have questions or would like more information. My contact information is on the cover page of the RELEASE.

God Bless!

-Kathy

Charlie Crockett and Larry Mincey at East Fork for the Backwoods 450.

An Update from East Fork Archery Shooters

It's been a busy time for our EFA Shooters and ROCK'N SHOTS JOAD club. We kicked off our JOAD Indoor program with a Krispy Kreme sales event that raised over \$1,200 for our program! Combined with our BW450 concessions fundraiser and several other generous donations, our JOAD club has raised over \$2,000! This money is used to pay for MBH, NFAA and USA Archery memberships. This year, the club will also be able to purchase JOAD team shirts!

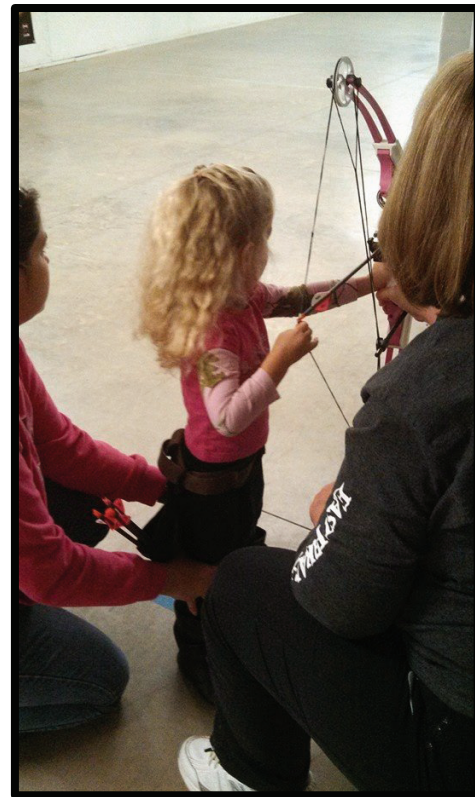

Our JOAD Indoor program currently includes over 40 active athletes and continues to grow. Athletes meet and work on skills development every week. To accommodate the growth and breadth of skills, multiple sessions are being offered twice weekly. In addition, our Adult Shooters have also started working on their indoor games. Ladies night is every Monday at 6:30pm and Open League is every Tuesday evening at 7pm.

Our 2014 SHOOT FOR A CURE tournament was held over the weekend of November 15th. A total of 41 Shooters participated in the event and \$1,233.50 was raised! The proceeds were split and donated evenly to the American Cancer Society and the Susan G. Komen Foundation. We want to send a huge shout out to everybody that participated in the tournament. Many of you traveled quite a distance. We also want to thank all those that provided items for the silent auction, those that made bids and those that bought event t-shirts. EACH OF YOU directly contributed to the success of this event.

We want to thank Tonya and Rachael Bagnell for collecting items for the auction, helping with the food and making up the participant goodie bags. Great job, ladies. I hear they are already making plans for next year. Special thanks also to Erica Trusty and Sebastian Cooper for working the event and ensuring that everything ran smoothly this weekend.

We are just humbled by the growth of our organization and the participation and support we've received from the archery community.

Thank you and God Bless!

Large and Small Game Committee

A successful season is underway. Send in your Large Game Reports and Pictures!

1. Jeff Reddy, St. Charles, 60 lb. Button Buck, shot on 9/15/14 at 13 yards in St. Louis Co. Jeff's first MBH report and third bow kill.
2. Jeff Reddy, St. Charles, 65 lb. Button Buck, 9/16/14 with an 11 yard shot at 10:15am in St. Louis Co. Jeff's second deer harvest in two days, #4 all time.
3. Charles Cashatt Jr, Excelsior Springs, 73 lb. Doe, Shot on 9/20/14 at 7:01am with an 11 yard shot on public ground in Clay Co. #79 all time. Charles commented that it's been tough so far, he's only seen 11 deer in the first two weeks of hunting.
4. Charles Cashatt Jr, Excelsior Springs, Hen Turkey harvested on 9/26/14 on public ground in Clay Co. Made a 21 yard shot on the walking bird. #12 all time.
5. Kathy Brinkmann, Labadie, 60 lb. Doe, shot on 10/4/14 at 5:32pm in St. Charles Co.
6. Jim Brinkmann, Labadie, Tom Turkey, made a 30 yard shot on 10/7/14 at 9:00am in St Charles Co.
7. Jerry Decker, Lee's Summit, 170 lb. 10pt Buck, harvested at 6:50pm on 10/12/14. Killed in Jackson Co. This was the NFAA Grand Master Bow Hunter's 41st deer all time in 49 years of Bow Hunting!

Notice that I have left the harvest times out of Jeff Reddy's opening day deer kill and Charles Cashatt's turkey kill. They are in the running for the annual 1st deer and turkey harvest of the year. If you've killed an opening day deer or a turkey on or before 9/26/14 then you had better fill out a Large Game report to be considered for the awards.

Note; Whenever I receive a game report via the website or by US mail I will always respond to let you know I received your report. If you do not get a response from me then I probably didn't get the report so please resend it or give me a call or try to contact me at my email address.

Happy Bow Hunting,
Jeff Blystone

October 7, 2014.

Jerry Decker, 170 lb. buck taken on
October 12, 2014. This was Jerry's
41st deer in his 49 years of bow
hunting.

Conservation Committee

Conservation Commission Takes Action To Protect Deer In Missouri

Public comments and dozens of public meetings showed overwhelming support for proposed regulations to prevent the spread of chronic wasting disease.

On October 17, 2014 the Conservation Commission unanimously voted to approve proposed amendments to regulations regarding the operation of hunting preserves and wildlife breeding facilities that hold white-tailed deer, mule deer, their hybrids, and other members of the deer family, known as cervids, to prevent the spread of diseases, including chronic wasting disease, to the state's deer herd.

Actions by the Commission include:

- Banning the importation of live white-tailed deer, mule deer, and their hybrids from other states. The regulation still allows for the importation of semen for artificial insemination.
- Requiring all facilities, existing and new, to maintain or construct a single 8-foot fence following specific standards detailed in the Wildlife Code of Missouri. Existing facilities would have 18 months to bring fencing into compliance.
- Requiring Class I and Class II wildlife breeders and big game hunting preserves to test all mortalities of deer that are older than six months for chronic wasting disease and allow permittees to apply for an exemption from mandatory testing requirements in the event of a mass-casualty event.

- Requiring Class I and Class II wildlife breeders that hold deer to participate in a United States Department of Agriculture-approved chronic wasting disease herd certification program.

- Set requirements for disease testing, record-keeping, reporting disease test results, and complying with an established disease response plan in the event a disease is discovered.

- Prohibiting any new captive-cervid facilities within 25 miles of a confirmed chronic wasting disease location for five years. The regulation changes will go into effect Jan. 30, 2015. "Chronic wasting disease is a neurological disease that affects members of the deer family and, with no known cure, it is 100 percent fatal," said MDC Deputy Director Tom Draper. "These amendments work to reduce the risk of chronic wasting disease spreading beyond the limited area where it has been found in northern Missouri to ensure the health of Missouri's entire deer herd, including free-ranging and captive-cervids."

Missouri Bow Hunters Association Paul Jeffries Scholarship Application

Please type or print and submit application to:

Missouri Bow Hunters Association, P.O. Box 108, Huntsville, MO 65259
Completed applications must be postmarked or submitted electronically by March 1st, 2012

Last Name _____ First Name _____ MI _____ Date of Birth _____
Address _____ City _____ State _____ Zip _____
Phone _____ Alternate Phone _____ Email _____

Name and address of the school you currently attend. Please include year you plan to graduate:

If you are in High School, please indicate the college you have tentatively selected and include the City and State of the campus you will be attending:

What is your intended major course of study _____

Are you a current MBH Member? ____ If yes, when did you first join MBH? _____

Please list any other organizations/memberships that you would like to share: _____

Applicants may attach one page if additional space is required to answer the following questions:

Describe any past/present archery related activities: _____

Describe hobbies/interests (excluding archery): _____

Provide other comments or information that you would like to share for consideration: _____

Please provide the names and contact information for 2 character references: (NO family members, please): _____

I confirm that all information submitted on this Scholarship Application form is correct to the best of my knowledge. Applicant Signature: _____ Date: _____

Parent/Guardian Signature: _____ Date: _____

Parent or Guardian must sign for all applicants under the age of 18

MBH Tournament Bid Form

Instructions: Use this form to bid on hosting the following MBH state tournaments: Target, Field or 3D. Use a separate form for each tournament that is being bid on. All MBH tournaments are to be hosted by an affiliated club unless the MBH Board of Representatives makes an exception.

Please return this form by the deadline of no later than December 20, 2014. Please make sure to have bids in prior to the deadline in order to ensure your range's consideration as a host location.

**Return completed forms to the MBH Secretary at:
PO Box 47352, Kansas City, MO 64188**

Date the bid is being placed (today's date): _____

Tournament being bid on (check one):

☐ Target (600) ☐ Field ☐ 3D

Date of tournament being bid on: _____

Tournament bid – number of days (one or two days): _____

Club name placing the bid: _____

Club contact person: _____ Telephone: _____

Club MBH Membership: ☐ Yes ☐ No

Tournament site name and address: _____

Tournament site amenities (lodging, parking, local events, local attractions, etc.):

Once a club wins their bid it is expected that they will prepare by assisting with advertising, logistics and setup and take down of equipment. The winning club must have enough staff to assist with registration, line judging, guardian angels (for assisting with cubs), score tabulations, concessions and facilities management.

The RELEASE is published monthly and is viewable on the Missouri Bow Hunters website: www.mobowhunters.org

MBH Membership Rates:

Single - \$25.00

Family - \$30.00

Youth - \$12.50 (under 18)

Join or Renew online from the MBH website.

Print a copy of the membership form and mail with payment to:
