## The Missouri Bow Hunters 2015 Tournament Schedule is Set

It is fall in Missouri. High school football games on Friday night. The playoffs and the World Series are a bit more special this year, both St. Louis and Kansas City are both playing, and their loyal fans are praying that their team gets to take the prize. Tree stands are up and hunters young and old are waiting for that trophy buck to stroll by. Not to mention, MBH has set the tournament schedule for the 2015 season.

At the B of R Meeting, held in August, we set the schedule for our tournaments for the 2015 season. Some changes to our tournaments. As charter members of NFAA, MBH must hold two tournaments that are sanctioned by NFAA. According to the NFAA Bylaws, if MBH uses either the word "State" or "Championship" in the tournament's name, everyone shooting those tournaments **must be** both an MBH and NFAA member. With this change, the B of R decided that, in order to be able to use one or both words in the tournament name, we should make the MBH "State" Indoor "Championship" compliant with the NFAA By-Laws. It was also decided that the 600 Tournament should be called "MBH State 600 Championship", and as such, membership to both MBH and NFAA would be required. The "State Outdoor" which was already an NFAA/MBH sanctioned tournament.

### The 2015 Tournament schedule is as follows:

2014 State 450 Round (NFAA & MBH membership) - November 30 or December 7, 2014

2015 State Indoor Championship (NFAA & MBH membership) - March 7 & 8, 2015

2015 State 600 Championship\*\* (NFAA & MBH membership) - May 25, 2015

2015 State Outdoor Championship\*\* (NFAA & MBH membership) - July 11 & 12, 2015

2015 MBH 3D Jamboree (MBH membership)\*\* - August 8 & 9, 2015

2015 MBH Youth Jamboree (MBH membership)\*\* - October 3 &/or 4, 2015

*\*\*bids are being taken for the location and tournament host*

Just to note, we are putting together the 2015 Missouri Archery Guide. If you have not determined your club tournaments for 2015, we urge you to get those finalized and get them to us by emailing to: mbhsecretary@gmail.com or by calling Candy Bridger at 816.824.9158 so those are added to the Archery Guide's Calendar of Events. If you purchase an ad in the Guide, you can add your tournaments to this list at no charge. If you want them to appear in the Release and on the MBH website, there is a fee of \$20 to have them appear in those locations.

## A Message from Your President

Not a lot going on this time of year with MBH, with the days getting cooler deer traffic has started picking up in the food plots and woods. I've seen pictures of several nice deer already harvested this year, if you are one of these who have harvested early or anytime take a picture and send to Jeff Blystone along with your Lg Game report. If you have a few seconds to jot down a brief story of the hunt along with it we will get it put into the Release.

Some have already started indoor, so watch the Calendar of events and Facebook for upcoming Tournaments.

Till Next Month  
Aim Small Miss Small  
Jeff Friedmann

## Brooke Miller Qualifies for USA Archery National Team

Brooke Miller, daughter of Kevin and Lori Miller. The Millers live in Lewiston, Missouri and have been active MBH members since 2011. Brooke qualified for the USA Archery National Team in September, 2014. Brooke has made her presence known since she joined MBH and is making her name across the archer competition circuit.

This year has been a whirlwind for Brooke and her family as they travelled to tournaments across the country. She competed in several top indoor tournaments last year, taking home 2nd at Presley's Midwest Open, 1st at the ISAA Pro-Am, 1st at the Kansas City Shootout, 2nd at the MBH State Indoor Championship, and 1st at the NFAA Indoor Nationals. Her USA Archery awards this past year have been equally as impressive. She took 1st place in both the MAA Indoor and Outdoor Championships, and was awarded Missouri Junior Archer of the Year. She placed 2nd at Indoor Nationals, in Wichita, Kansas, 2nd at the Indoor Nationals Tournament of Americas, 2nd at the Florida Gator Cup, Grand Champion at Outdoor Nationals in Hamilton Ohio, and 6th at the Texas Shootout.

Congratulations Brooke, you make MBH proud.

## Put Your Business Card HERE!

## Blystone's Wyoming Archery Elk Hunt

The Kim & I had a great hunt with Seven J Outfitter's. I enjoyed reading Kim's journal about that day so much I wanted to share it.

9/24/2014 Wednesday

4am really comes early but we are off again. We headed back to the McDonald ranch to see if we could make anything happen. We got there at about 5:45am and it was just getting light. As soon as our guide Kenny stepped out of the truck he heard a bugle - this has got to be a good sign. We quickly got our gear together and got in the buggy and headed out. We stopped at the top of the hill to listen and heard a bugle and Kenny saw them at a watering hole a few ridges over. We parked and started in. On top of the ridge Kenny cow called and got an elk to answer as well as a Turkey - "What time of year is this...???" He called again and we saw 2 elk moving quickly toward us. Talk about coming in on a string they were hauling butt across the pasture. Jeff quickly got set up, I sat at a tree and Kenny worked his magic. They keep calling back - how very cool. The turkeys didn't want to be out done and continued to call too. There were also some mallards and a porcupine making a ruckus "maybe this old McDonalds Farm!!!!"

The elk kept coming one sounded like a monster. Jeff said they got to within 55 to 60 yards. The first one was wide but would not stop walking and was a bit out of Jeff's comfort zone. The second stood around looking. Another elk got around the backside and winded us then took off back through the timber, which made the first guy head back into the ditch. Wow that was very cool, and there was still bugling going on. Kenny said not to go after them but told us to head on down the logging road. We continued to see major amounts of signs.

Each time Kenny cow called they would bugle back. One of them had a very low deep bugle and sounded like he owned the place and was mean. We walked deeper into the pines and Kenny bugled and the fun began. Not only did one bugle back, at least three did. We didn't like the wind set up as it was just kind of swirly but set up anyway. I got a front row seat this time and could see the full valley, and Jeff was about 10 yards in front of me. Kenny worked his magic and the woods filled with the sound of bugling all around us. We thought we could make out at least 7 different bulls.

Jeff looked up and pointed - one is coming he said. He came into the clearing and practically ran across it. He was tied to the magic Kenny string; he was a great young looking 5X5. He slowed at the tree line and headed Jeff's way as he got broad side at 25 yards in front of Jeff, then he jumped because he didn't like something. Jeff thought he was at 35 yards and drew and shot. He was more like 25 yards and the arrow flew over his back. He ran.

Kenny called, and the game was on. He stood back from the trees and got really mad at the woods. He bugled, grunted, spun around and barked at us. All this managed to do was get everyone else stirred up and here they came. First was an elk from the neighbors place, followed by a second covered in mud, and both were very nice looking. They were also still calling from the valley in front of us and another one came over the edge. At this point we have 5 elk in the clearing all looking at the pine trees we are staked out in. Bugling and pitching a fit as they all slowly head our way. There were still 2 others we couldn't see. Here they came, all heading Jeff's way. The lead elk covered in mud got to about 35 yards but was turned wrong. The largest of the group stayed out of range at about 60 yards. The elk that Jeff shot at headed back his way. The lead elk turned to leave and stopped at 50 yards. Jeff couldn't take

a chance that they would all leave so took his shot, drew his bow back slowly, prayed and took a shot at 50 yards (his max comfort range). HIT!!!!!! They all took off running straight for the neighbor's fence line. Kenny started cow calling and they slowed and stopped. Jeff's 5X5 stumbled and fell.

Celebrate...not yet he got up and headed for the valley but he only got about 100 yards, fell and was down for the count. Now celebrate!!! Awesome, amazing this is better than any dream could have been. Lots of picture taking, high fiving, celebrating it was time to get to the harder work - field dressing a 500 pound ELK. That done, now how in the heck do two guys and a gal get such a beast out of the woods? Using a BAD BOY Buggy with a winch of course. Guys and their toys Jeff and Kenny decided to give it a try - we backed the buggy up to the elk - took the winch cable from the front over the top roll bars and down the back, wrapped it around the elk a few times and then prayed it would work without pulling the buggy off its front wheels. With a bit of rigging and some extra help from the guys he was up and in the back. Now it's time to fit three gear bags, a bow, and three people wedged into a front seat made for two. We cautiously made it back to the truck and did the transfer. Success - what an awesome, surreal morning. Nothing could ever top such an incredible experience.

# Officer Nominations for 2015-2016

## Make Your Voice Heard

I am going to keep this short for everyone this month, but this could be one of the most important topics I will talk about in terms of the health and future of the Missouri Bow Hunters Association.

MBH, unlike some other archery organizations, allows its members to choose the leadership of their organization. The ballots for our officer election should be making its way to your mailbox within the next week or so. Make sure to put some effort into your decision. All of the candidates have held some sort of position in MBH and have shown their intentions and capabilities. But before you make a decision, look back from your past experiences in MBH and look at what each person stands for. Certain people were much more active in improving our 3D tournament while others could care less. Certain people took the next step to grow our State Indoor and take it to the next level while others questioned why we needed to make it grow. Certain people have ideas to grow our organization and certain people wish to take it back to the "status quo." If you have questions as to who these people are, ask them, ask me, ask the 3D Committee, ask your B of R Representative, ask people who have worked with them, ask anyone involved. Folks, every vote is counted and your vote is crucial. Take the couple seconds to fill out your ballot and make your choice known!

Aim Small and God Bless  
Cole Duensing

## Nodaho Bowhunters, Inc.

It's beginning to look like Fall here in Northwest Missouri with the trees beginning to turn brilliant hues along with the cooler temperatures. Another indication is that harvest would be in full swing if we could dry out so the combines could get back to the fields. I haven't heard of anyone actually connecting on a deer yet, but some members report seeing some good bucks, so that is encouraging.

Our annual election of officers for executive members and officers was held October 8. Both Jesse Camacho and Chris Morrow had taken different jobs during the year and declined to run again because they didn't feel they could devote enough time to their duties with their work schedules. So, here are the results: President – Cody Sisk; Vice President – Richard Piveral; Treasurer, Amanda Smith; Secretary – Jeanette Brookshier; Outdoor Range Master – Max Medsker and MBH B of R – Bill Brookshier. I think it will be a great group and I look forward to working with them.

Our indoor league will start the week of Thanksgiving – right around the corner. Hard to believe indoor season will soon be going strong! Hope to see you soon!

-- Jeanette Brookshier  
Secretary

## Large and Small Game Committee

Fall archery hunting season is here and it's time to remind you of the Annual Large Game Awards Program. Just fill out a Large Game Form and send it to me via the website or through the mail. The report can be found and filled out on our web site at [www.mobowhunters.org](http://www.mobowhunters.org) or in this newsletter or give me a call and I can send you one. All MBH members are eligible to earn the Missouri Bowhunters Large Game Award pin when they turn in their first ever Large Game Report. Deer, turkey, & predators qualify as large game in the program. MBH annual awards for 2014/15 season will be;

1st Fall Turkey- Be sure to record the date & time of the kill.

1st Deer- Be sure to record the date & time of the kill, we usually get more than one opening day kill.

Last Deer- again we usually get several reports near the end of season.

P&Y Typical Best Buck- Must have a copy of the score sheet from a qualified P&Y, B&C, or MABB scorer. Green score is acceptable. If you need help finding a qualified scorer, give me a call & I might be able to help.

P&Y Non-Typical Best Buck- same as above

Lucky Deer- At the start of the season an average field dressed weight is chosen at random by me. The member that harvests a deer at that weight or closest to it wins the Lucky Deer Award.

Grand Slam Award- If any MBH member fills their Archery Permit (2 deer & 2 Turkey) they will receive this award and one lucky Grand Slammer will be drawn to receive a \$25 BPS gift card.

There will be two bowfishing awards given this year. Since these are not available to enter on the web site just send it to me by mail or email or give me a call.

Big Fish Kill- biggest fish kill by weight (all legal species included).

Longest Gar Kill- measured in inches to the closest 1/4".

Winners will receive a certificate of achievement suitable for framing, a Bass Pro Shops \$25 gift card, and recognition in the MBH Release Newsletter.

Deadline for all entries will be March 1, 2015.

I hope this will encourage you to submit your game reports and pictures this year. We all love to see those pictures and I am sure you are proud of your accomplishment as you should be.

Happy Bow Hunting,  
Jeff Blystone
