## Presidents Message

Hello MBH!

I hope everyone has had a successful Turkey season!

We are well into Spring now and would like to wish a Happy Mothers Day to all the MBH moms.

As the warmer weather arrives, don't forget to stay in practice with your bow. Just a few minutes a couple of times a week, or an hour one day a week will keep your muscle memory in shape for fall bow season.

Also, Squirrel season opens in a few weeks, so try hunting them with your bow.

Until next time,

Jim Forbes  
MBH President

*Missouri Squirrel Hunting Season—May 27, 2017 through February 15th, 2018.*

Registration is 7:30 to 8:30am with a 9:00am shotgun start.

Entry fee is \$12 with a money payback

For more information please contact Tobi Forbes at 816-645-2198

## ***CONSERVATION COMMITTEE REPORT***

The last couple of months have been busy. On March 5th I attended the MBH Hall of Fame induction for Dick Wood which was on Sunday of the annual MBH Indoor Championships. Dick competed in and won the Master Senior Traditional Class and then promptly auctioned off the bow he shot for a \$500 donation to the MBH Scholarship Fund. Dick is the well deserving and only the ninth member inducted into the MBH Hall of Fame during the 60 year history of our club, congratulations Dick!

The very next weekend found me in Jefferson City attending the annual Conservation Federation of Missouri's annual convention. The weekends scheduled included conservation awards Friday night; Saturdays events consisted of resource committee meetings, affiliate luncheon, resolution committee meeting, Conservation Leadership Committee youth meeting, evening dinner and live auction; Sunday included voting on final resolutions and the CFM board meeting. The resource committee meetings on Saturday morning are really the meat and potatoes of the convention. I was the Chairman of the Archery & Shooting Sports Committee and MBH member Kurt Surber was the Co-Chairman. Together we conducted the meeting which was attended by about 50 people. We heard a report from Kyle Lairmore, MDC's Hunter Education and Shooting Range Coordinator. Kyle talked about upcoming changes to the Bow Hunter Ed classes. This coming year and on line version of the course will be implemented very similar to the current Hunter Ed Class. So you will complete the on line part and then attend a four hour skills class instead of having to attend an all-day Bow Hunter Ed class. Next we heard a report from Jake Hindman, President of the Student Air Rifle Program. Jake's program is very similar to the NASP (National Archery in the Schools Program) but using air rifles instead of bows and arrows. It looks like a great program to introduce youth to the shooting sports. You can learn more about SAR at

<http://www.studentairrifleprogram.org/>. We then saw a presentation from Barbra Keller, MDC's Cervid Program Supervisor. I had asked Barbra to talk with us about the 2016 archery season results with an emphasis on crossbow results. Barbra did an excellent job giving us the facts they know so far. Highlights were; total deer harvest=47,551 down 4%, crossbows killed 14,524 deer which was 30% of the total kill. Total turkey harvest=2,304 down 24%, crossbows killed 853 turkeys which was 37% of the total kill. There was an 11% increase in total archery permits issued and the overall success rate for bow hunters was 18.7% which was down slightly from last year's 20%. One thing that really stood out to me was the fact that 1 out of every 3 deer killed was with a crossbow even though total hunters only increased by 11% and the success rate overall was down. To me that says crossbow hunters were much more successful than bowhunters using vertical bows which is one of the things I was worried about and could cause problems in the future. You can see the whole presentation at <https://drive.google.com/file/d/0B80YUS1OmpVjRWYzZVZ6dTFSOEK/view>.

We also talked about the Missouri legislative session and the ongoing attempt to reclassify captive deer as agriculture stock. It looks like Senate Bill 123 which would essentially make captive deer livestock still has a chance to be voted on in this year's spring session. Folks this would be really bad for Missouri's wild deer herd. Last year's CWD sampling results were just completed and published this week by the MDC. Nine more wild deer would found to have the fatal disease.

Two new areas of the state with infected deer were discovered. St. Clair and Jefferson counties had infected deer. To see the latest MDC updates go to <https://huntfish.mdc.mo.gov/hunting-trapping/wildlife-diseases/chronic-wasting-disease-cwd>

There is also a new group of dedicated conservationists, [Missouri Hunters for Fair Chase](#), that is committed to passing an initiative petition that bans the sale of canned hunts. MDC biologists have presented all the facts, supported by leading researchers across the country, to prove the spread of CWD is directly impacted by the movement of captive cervids which is the only way shooting preserves can provide these canned hunts.

Next month I'll talk about the 30<sup>th</sup> Biennial Pope and Young Convention I attended in St Louis during the first week of April.

Happy Bow Hunt'in,  
Jeff Blystone, 816-806-3574,  
[jandkbly@gmail.com](mailto:jandkbly@gmail.com)

## **LARGE & SMALL GAME COMMITTEE 2016 MBH Large Game Awards**

This year's winners received a framed certificate and a \$25 Bass Pro Shops Gift Card.

**1st Spring Turkey-** *Winner –Jim Brinkmann, Gobbler killed at 10:45am on 4/19/16 in Warren County.*

**1st Fall Turkey-** *Winner –Kathy Brinkmann, Hen killed at 9:35am on 11/11/16 in Franklin County.*

**1st Deer-** *Winner –Jim Brinkmann, Doe killed at 4:30pm on 10/9/16 in Franklin County.*

**Last Deer-** *Winner –Allen Boesch, Buck killed at 5:00pm on 1/10/17 in Perry County.*

**Lucky Deer-** At the start of the season an average field dressed weight is chosen at random by me. The member that harvests a deer at that weight or closest to it wins the Lucky Deer Award. 2016 weight was 143 lb.

*Winner –Don Witte, 145lb – 9pt Buck killed at 7:10am on 12/1/16 in Gasconade County.*

**Grand Slam Award-** If any MBH member fills their Archery Permit (2 deer & 2 Turkey) they will receive this award. *Winner – Jim Brinkmann & Kathy Brinkmann were the only member's this year that filled all 4 tags and submitted the Large Game Reports to win.*

**Big Fish Kill** – *Winner – Jack Davis, killed a 19lb 7oz Carp on 8/12/16 at Lake of the Ozarks.*

**P&Y Typical Best Buck-***Winner –No Entry*

**P&Y Non-Typical Best Buck-** *Winner –No Entry*

**Longest Gar Kill-** measured in inches to the closest 1/4". *Winner –No Entry*

Game reports are again down this year. MBH board of Representatives will discuss whether to continue this program at the August meeting. Since only a few members participate maybe we can find a better way to spend the Large Game Award money that would benefit more MBH members. Here is a summary of the large game reports turned in this year by MBH members.

### **DEER**

23 deer reports total, 20 does, 10 bucks, & 3 button bucks.

10 members submitted harvest reports. One member topped the list with 8 deer harvested this past season.

Average shot distance was 17.3 yards; average distance to recovery was 57 yards.

18 deer were killed on private ground and 5 were taken on public ground.

17 deer were arrowed in the PM hours and only 6 in the AM hours.

21 were taken from treestands and 2 were from a blind.

Compound bows killed 18 deer, handicap crossbow got 3, recurve got 1, and longbow got 1. Average bow draw weight was 55 lbs. Carbon or Composite arrows were used in all of the kills except 1 which used an aluminum arrow. Mechanical Broadheads took 14 deer and fixed blade broadheads killed 9.

### **TURKEY**

8 turkey reports total, 3 spring reports and 5 fall reports from 4 members.

Average shot distance was 16.4 yards; average distance to recovery was 30 yards.

All 8 birds were taken on private ground, 7 in the AM hours and 1 in the PM.

7 birds were killed using blinds, 1 from a treestand.

Carbon arrows were used in all kills, 5 kills were using mechanical broadheads and 3 used fixed blades.

I would like to give a little recognition to a few of the Missouri Bow Hunters Association members that turned in reports this past year. The youngest MBH member reporting success was 15 year old Jaden Dunn with an October 9<sup>th</sup> buck kill! The oldest member was Allen Boesch at 76 years young; he harvested 3 deer this past season. Allen has been hunting the last few years with his crossbow due to bad shoulders and arms but he is still in the field and being quite successful. Finally I would like to give hearty congratulations to Jim & Kathy Brinkmann who had an even better year than last year. Jim harvested 8 deer and 4 turkeys and a coyote in 2016. Kathy wasn't far behind with 4 deer and 2 turkey kills to her credit in 2016.

Time to say so long for now but remember spring turkey season is almost here so start practicing you're calling and shooting skills!

Happy Bow Hunting,

Jeff Blystone
