President's Message

It's hard to believe we are in December and the holiday season already. Seems like just yesterday we were all together at our state indoor and looking forward to spring turkey, outdoor season, and the long awaited archery deer season. My how time flies...

Christmas is the time of hopes and dreams for many, yet sadness for others. Times of unbridled excitement and deep reflection. I hope your Christmas is everything you wish it to be and that we all cherish what's really important and remember what the season is all about.

As your president this is the last time I have the privilege of wishing you all a Merry Christmas. It truly has been my honor to serve you and I thank you for putting up with me and my sometimes rough edges. MBH can only continue to be successful and move forward if all of us are willing to be active participants.

May your holidays be blessed and your families be safe. Merry Christmas and Happy New Year from all of us here at Missouri Bowhunters !!!

Jim Forbes

Officer Nominees

President

Bill Meyers

Hello MBH members, my name is Bill Myers and I am running for President. I have been a member of MBH since 1980 and involved with the Board of Representatives for almost as long. I have represented several clubs to include Tri-county Bowhunters, Summit Archery, Buder Park Archery Club and the St. Louis Archery Council. I have also served on the committees of, Hall of Fame, Revisions and as Parliamentarian. I am currently holding the office of Vice-President for the second time.

Officer Nominees

Vice President

Matthew Dunn

Hello! My name is Matthew Dunn. I am from the small town of Salem, MO, where I grew up with my parents Max and Judy Dunn. Growing up we were your typical outdoor people, hunting in the fall and fishing in the summer. In early 2010 my daughter, Jaden, was shooting in the NASP program at school. I learned about MBH when she decided to go further with her archery. One year later my son, Jansen, started shooting. It has been 8 years since then and every year at the state indoor I have been a volunteer with set up and/or tear down, line judge, and a guardian angel for the Cubs. We have carried out our archery journey with indoor, outdoor, 3D and NASP ever since, along with bowhunting between shoots and work.

One of my goals while in office is to encourage youth involvement in MBH. To help pursue this goal I became a certified NASP instructor in 2011. This is very important to me because if it wasn't for my kids being involved in archery I would not have been introduced to the wonderful organization of MBH.

Missouri NFAA Director

Hello fellow MBH and NFAA members! I am Cole Duensing, and I would like for you to consider me for the position of NFAA Director for the state of Missouri. Many of you know me from my time as Public Relations and Marketing chairman or from meeting me at a tournament. If not, let me introduce myself! I am 26 years old, an avid bowhunter and competitive archer, and have been a member of MBH/NFAA since I was 17. I spent a good portion of my time as a member writing articles for the "Release" and devoting time to promoting the organization and events. The position of NFAA State Director is an important position and should be taken seriously. There are a number of duties a Director must attend to. Some of these include attending and voting at the NFAA Board of Directors meeting and the MBH meetings, voting on and approving budgets, range inspections, establish dues, rules violations, and a number of other actions. I feel like I can bring a new and fresh energy and outlook to our organization. I feel like, as an active participant and surrounded by the archery lifestyle in Missouri and beyond, I can relate to the membership body. I hear firsthand the concerns of the members and I can feel the pulse of our membership body at a moment's notice. With this, I can take that information and make educated and logical decisions when voting at any of the various meetings. I will always gladly and professionally listen to our members concerns and take it into consideration before acting. Although the position is held by one individual, that individual speaks for the MBH and it's members as a whole. Some of my goals includes robust communication between myself and the members to hear their concerns, make intelligent and informed decisions when voting, and to make sure our organization is being conducted in the way it was intended to. I want to see MBH and the NFAA grow, I want to see the participation numbers grow, I want the membership body to be happy with the person who is representing them. I feel like I am the right person for the task. In a world of changing tides I plan on being up to date with the times and demands of our membership body. It is my hope that you, the MBH member, will talk to our Board of Representative members about what I said here and consider voting for me this winter. I thank you all for your time and I appreciate your membership and participation as a MBH and NFAA member!

-Cole Duensing

Voting Reminder

Tobi Forbes, Secretary

It's election year for MBH and we have Bill Myers running for President while Matt Dunn is running for Vice President. Ballots will be going out soon to all MBH adult members who have a current membership. If your membership is current and you do not receive a ballot, please let me know. Return your ballots in the envelope marked "Ballot". There is a place to write-in a name for both the President and Vice President.

The thing to REMEMBER is your name and address has to be on the outside of the returned envelope. When you mail your ballot to me, the Secretary, I then verify the name on the outside has a current membership and they remain sealed and placed in a box. During the January meeting I give the ballots to 2 other board members who open and count them.

The ballots have to postmarked by December 31, 2018 in order to be valid. Any questions please let me know.

CONSERVATION COMMITTEE REPORT

MDC HOLDING OPEN HOUSES, TAKING COMMENTS ON FUTURE ELK HUNTING

JEFFERSON CITY, Mo. – The Missouri Department of Conservation (MDC) will host public open houses in December and take comments on options for a future, limited elk-hunting season in Missouri. MDC will hold the open houses in communities around its elk management zone in Carter, Reynolds, and Shannon counties. They will run from 6-8 p.m. and be:

- Dec. 3 at Van Buren High School Cafeteria, 202 W. College in Van Buren;
- Dec. 4 at Ellington City Hall, 100 Tubbs Ave. in Ellington; and
- Dec. 6 at Eminence High School Cafeteria, 17829 S. Sixth St. in Eminence.

At the open houses, MDC staff will inform the public about how the Department is managing wild elk in and around its elk management zone in the Ozarks, including herd size and anticipated growth, herd health, and how MDC is working with area landowners.

MDC staff will also seek public input for a limited, future elk hunting season, including season timing, season length, hunting methods, permit allocation, future landowner opportunities, and more. Staff will also be available to answer questions.

For more information on MDC's elk management, hunting options, and the open houses, visit <https://short.mdc.mo.gov/ZpQ>

Learn more on MDC elk restoration and management from this MDC video at <https://www.youtube.com/watch?v=APJKVTJh7EM>

Once common throughout most of Missouri, elk disappeared from the state about 150 years ago due to over-hunting and habitat loss. MDC has reintroduced more than 100 free-ranging elk to a large restoration zone between Ellington and Winona in Carter, Reynolds, and Shannon counties. The 346-square-mile elk restoration zone includes Peck Ranch and Current River conservation areas. Learn more about elk in Missouri from MDC at <https://nature.mdc.mo.gov/discover-nature/field-guide/elk>.

For more information on the open houses, contact MDC Public Involvement Coordinator Michele Baumer at 573-522-4115 ext. 3350, or Michele.Baumer@mdc.mo.gov (link sends e-mail).
