President's Message

Hello MBH Members! We are into that time of year; the rut is kicking in, indoor leagues are getting kicked off, holiday plans are being made and elections are happening.

This year it's also time for our election. You'll soon be seeing ballots in the mail, so check out the candidates and let your choices be known by your own private vote. Votes will be counted at the January B of R meeting and new officers will be installed.

I hope y'all are having good luck in the deer woods. Please make sure and let Jeff Blystone know of your success so all of us can share in it.

As we enter into the holiday season, my wish is that each and every one of you are blessed in more ways than you can count and that all of us remember what's truly important in life..

See ya soon,

Jim Forbes
MBH President

Voting Reminder

Tobi Forbes, Secretary

It's election year for MBH and we have Bill Myers running for President while Matt Dunn is running for Vice President. Ballots will be going out soon to all MBH adult members who have a current membership. If your membership is current and you do not receive a ballot, please let me know. Return your ballots in the envelope marked "Ballot". There is a place to write-in a name for both the President and Vice President.

The thing to REMEMBER is your name and address has to be on the outside of the returned envelope. When you mail your ballot to me, the Secretary, I then verify the name on the outside has a current membership and they remain sealed and placed in a box. During the January meeting I give the ballots to 2 other board members who open and count them.

The ballots have to be postmarked by December 31, 2018 in order to be valid. Any questions please let me know.

Officer Nominees

President

Bill Meyers

Hello MBH members, my name is Bill Myers and I am running for President. I have been a member of MBH since 1980 and involved with the Board of Representatives for almost as long. I have represented several clubs to include Tri-county Bowhunters, Summit Archery, Buder Park Archery Club and the St. Louis Archery Council. I have also served on the committees of, Hall of Fame, Revisions and as Parliamentarian. I am currently holding the office of Vice-President for the second time.

Officer Nominees

Vice President

Matthew Dunn

Hello! My name is Matthew Dunn. I am from the small town of Salem, MO, where I grew up with my parents Max and Judy Dunn. Growing up we were your typical outdoor people, hunting in the fall and fishing in the summer. In early 2010 my daughter, Jaden, was shooting in the NASP program at school. I learned about MBH when she decided to go further with her archery. One year later my son, Jansen, started shooting. It has been 8 years since then and every year at the state indoor I have been a volunteer with set up and/or tear down, line judge, and a guardian angel for the Cubs. We have carried out our archery journey with indoor, outdoor, 3D and NASP ever since, along with bowhunting between shoots and work.

One of my goals while in office is to encourage youth involvement in MBH. To help pursue this goal I became a certified NASP instructor in 2011. This is very important to me because if it wasn't for my kids being involved in archery I would not have been introduced to the wonderful organization of MBH.

Missouri NFAA Director

Hello fellow MBH and NFAA members! I am Cole Duensing, and I would like for you to consider me for the position of NFAA Director for the state of Missouri. Many of you know me from my time as Public Relations and Marketing chairman or from meeting me at a tournament. If not, let me introduce myself! I am 26 years old, an avid bowhunter and competitive archer, and have been a member of MBH/NFAA since I was 17. I spent a good portion of my time as a member writing articles for the "Release" and devoting time to promoting the organization and events. The position of NFAA State Director is an important position and should be taken seriously. There are a number of duties a Director must attend to. Some of these include attending and voting at the NFAA Board of Directors meeting and the MBH meetings, voting on and approving budgets, range inspections, establish dues, rules violations, and a number of other actions. I feel like I can bring a new and fresh energy and outlook to our organization. I feel like, as an active participant and surrounded by the archery lifestyle in Missouri and beyond, I can relate to the membership body. I hear firsthand the concerns of the members and I can feel the pulse of our membership body at a moment's notice. With this, I can take that information and make educated and logical decisions when voting at any of the various meetings. I will always gladly and professionally listen to our members concerns and take it into consideration before acting. Although the position is held by one individual, that individual speaks for the MBH and it's members as a whole. Some of my goals includes robust communication between myself and the members to hear their concerns, make intelligent and informed decisions when voting, and to make sure our organization is being conducted in the way it was intended to. I want to see MBH and the NFAA grow, I want to see the participation numbers grow, I want the membership body to be happy with the person who is representing them. I feel like I am the right person for the task. In a world of changing tides I plan on being up to date with the times and demands of our membership body. It is my hope that you, the MBH member, will talk to our Board of Representative members about what I said here and consider voting for me this winter. I thank you all for your time and I appreciate your membership and participation as a MBH and NFAA member!

-Cole Duensing

CONSERVATION COMMITTEE REPORT

Update on Senate Bill 627 which I wrote about last month— On June 1, then-Gov. Eric Greitens signed Senate Bill 627 into law — which the Senate passed March 8 and the House approved May 17 — that amends certain definitions in the meat inspection statute to include "captive cervids" alongside livestock and poultry. On August 28th the News Tribune reported Cole County Circuit Judge Jon Beetem has approved a temporary restraining order to keep a new state law dealing with meat inspection from going into effect Tuesday. Beetem noted his order makes "no determination as to the validity and/or constitutionality" of the new sections of state law challenged by the lawsuit. His order blocks the enforcement of only some of the new provisions, while allowing the rest of the new law to go into effect Tuesday September 4th.

On Friday October 5th the News Tribune reported Cole County Circuit Judge Jon Beetem has continued a temporary restraining order to keep a new state law dealing with meat inspection from going into effect. Beetem said the restraining order would stay in place until he decides whether to make the injunction permanent. Beetem's decision was announced following a hearing held on Thursday in which attorney James Kent Lowry, arguing for the Conservation Commission, said the new law conflicts with the commission's constitutional authority over wildlife. The commission also believes it doesn't take into account potential public health risks such as exposure and spreading of chronic wasting disease. You can read the full article at
