Happy Spring!

Finally.....

President's Messagekinda

Hello MBH!

Our busy President is off working to get field courses ready and setting up tournaments for the outdoor season. Many of you don't realize how much work goes into prepping and maintaining field and 3D courses. Not only do they have to be trimmed, mowed and targets and markers placed; but courses must meet regulations for the type of tournament and most importantly they must be safe. The next time you attend a 3D or Outdoor tournament, be sure to thank the people working there. They are usually volunteers...and do it for the love of the sport. Thank you Jim and Tobi for all the hard work keeping things going for MBH!

Don't forget, squirrel season is just around the corner....(May 26th).

Good luck to everyone competing in tournaments and to those fishing and hunting!

Be Safe!

CONSERVATION COMMITTEE REPORT

Since our founding in September of 1947 by leaders like Paul Jefferies and Earl Hoyt the Missouri Bow Hunters Association has been working to promote archery and the sport of bowhunting in Missouri. For over past 70 years now MBH has worked for the Missouri Bow Hunter. We have been involved with the Missouri Department of Conservation & the Conservation Federation of Missouri to establish seasons, limits, and provided volumes of data to help manage our great outdoor resources. Conservation is defined as the wise use of a resource. So the next time you are deciding if the Missouri Bow Hunters is an organization you want to belong to, just remember where we started and how far we've come. In November of 1946 Missouri had its first archery season that season was two days long; the license cost was \$3.15 which allowed you to take 1 buck plus they were competing with the gun hunters who were hunting the same season.

In 2018 a resident archery tag costs \$17, you could harvest 2 deer and 2 turkeys of either sex, and the archery only season lasts 4 months. There were 50 different manage deer hunts you could apply for plus lots of Urban deer hunts allowed for archery only hunters. Last year there were about 200,000 archery hunters and we harvested over 50,000 deer. While it's true that we have earned our place in Missouri's archery and deer hunting history it is also true that there are people and organizations that would like to limit or take away our hunting privileges. Deer hunting is also facing several other important challenges like Chronic Wasting Disease, poaching, and the impact of Crossbow hunters are having on the archery season. The annual cost of being an MBH member is \$25 for a single or \$30 for a family. A three pack of broadheads costs more than that. Frankly membership to the Missouri Bow Hunters Association is down and continues to decline. If you enjoy archery hunting you really should consider joining MBH. This organization is only as strong as its membership. Without a robust MBH membership our voice will not carry much weight with the policy makers at the Missouri Department of Conservation or any other policy maker that may have anti archery hunting motives in mind.

Each year I attend several MDC meetings and I am on the Board of Directors as your Affiliate Representative to the Conservation Federation of Missouri (CFM). CFM is the #1 citizen lead conservation organization in the state of Missouri.

MBH pays membership dues to CFM as an affiliate organization of CFM. Along with 90 other affiliate organizations that range from bird watchers to trappers to trout fishers to gardeners to canoeist. You can find out more about the Missouri Bow Hunters Association and join at www.mobowhunters.org

To learn more about the Conservation Federation of Missouri go to www.confedmo.org

Help to keep Archery Hunting in Missouri strong, join MBH today!
