President's Message

Rain, rain go away, well not in entirety. Sure would be nice to get in some practice time or some nice weather for our MBH clubs to get a tournament in without sloshing thru the mud or running for cover.

Hot weather is upon us, so be sure to have plenty of water with you while practicing on the range or at a tournament. Also, don't forget the tick repellent (they are supposed to be bad this year), not to mention mosquitoes.

The MBH State outdoor field is just around the corner (7/6 and 7/7). There should be registration form in this release and of course on the MBH webpage. Register early to avoid a late fee.

The month of June we celebrate Fathers Day.

**HAPPY
FATHER'S
Day!**

Please share copy of the Release to someone who may not have access to a computer or a possible new member.

CONSERVATION COMMITTEE REPORT LIONS, BEARS, & HOGS – OH MY!

It's interesting to me spending a raining morning; we've had a lot of those in the spring of 2019, looking around the Missouri Department of Conservation website for interesting information. One webpage I found led to a couple of hours of learning some updates on Missouri Black Bears and Mountain Lion sightings. You can find out all about recent reports of lion and bear sightings at <https://nature.mdc.mo.gov/discover-nature/report-wildlife-sightings>

Be sure to open the various links about the Black Bear Project and the YouTube video link. There are 22 videos about Missouri Black Bears with the 30 minute Missouri Black Bear info from April of 2015 being the longest and most informative.

Same goes for the Mountain Lion Reports, did you know there have been 14 confirmed reports of Cougars in Missouri during the last 3 years? Again be sure to check out the video called Mountain Lions in Missouri. Spend your next rainy day indoors exploring the MDC website at <https://mdc.mo.gov/>

- The 60-day comment period regarding Feral Hogs on the Mark Twain National Forest is now open through July 23, 2019. To read more information and how to submit a comment can be found here: <https://www.fs.usda.gov/detail/mtnf/landmanagement/?cid=FSEPRD629017>

Please click on the link above and read up on the damage Feral Swine are causing. ORDER NO. 09-05-19-02 would ban Hog hunting on in the Mark Twain National Forest. For years the HOG Doggers are releasing Feral Swine into the forest so that they can hunt them with their hounds. This order will help the Missouri Department of Conservation and the Forest Service stop the HOD Doggers and eradicate Feral Swine from Mark Twain National Forest.
