From the President

The indoor season is upon us. There are several indoor leagues going and the outdoor 3d tournaments are beginning to start. The NFAA Indoor Sectionals are 22-23 February at Diamond Archery in Wichita, KS and the KC Shootout is February 29-March 1st in Raytown, Mo. The next MBH event will be the State Indoor Tournament (March 7-8) in Linn, Mo. We will be looking for volunteers to help set up on the Friday before (March 6th). Also, we will be looking for volunteers for Line Judges (all lines and both days), and Guardian Angels (help with the cubs). We are still looking for bids for the MBH 600 and the MBH 3D tournaments. If you would like to bid on one of these tournaments, email the secretary or submit your bid at the indoor tournament.

I have heard from several clubs that they are experiencing low turn outs for their 3D tournaments and having trouble getting help from their members. Some clubs have cut the number of shoots due to low turn outs and no help. Archery clubs, including the State organizations are only as strong as their members. I realize that families are being pulled in different directions, but I can assure you that if your local archery club doesn't receive support from their members, one day there will be no local club, and there will be no shoots to attend. So, Please support your local archery club by leading a hand and attending their events.

CONSERVATION COMMITTEE REPORT

Greetings, I've been working hard on Resolutions, Archery & Shooting Sports Committee agendas, and reviewing CFM award nominees for the upcoming Annual Conservation Federation of Missouri's Convention to be held the weekend of March 6 thru 8, 2020 in Jefferson City. Yep that's the right dates and unfortunately it's the same weekend as the MBH State Indoor Tournament so I will not be shooting or scoring deer at this year's MBH State Indoor in Linn.

CFM's annual convention is the major fundraiser and the most important Citizen's Conservation Event of the year for Missourians and I will be there representing MBH.

Usually MBH State Indoor Shoot and CFM's Convention are held a week apart during the first two weeks of March but every few years they collide on the same weekend. I had to make a choice and I felt like my duties as a CFM Board Member (who is up for re-election by the way), Archery & Shooting Sports Committee Chairman, and Awards Committee member outweighed the State Indoor this year.

Maybe I can do a deer scoring event at one of the other state tournaments later this year. So shoot straight and I'll catch up with ya down the road.

Happy Bow Hunt'in
