The State youth and Indoor 450 will be have been completed by the time this is published. Congrats to all the Youth Shooters and winners. Also 5 Youth members where choose by random drawing for a \$100 gift certificate to use for archery . The results of the Youth shoot can be found on page 5.

This is a time of the year for celebration and cheer. It is much more than giving and receiving gifts. For many, this is a time to reflect on the birth of Jesus. The birth of Jesus will be celebrated all over the world. Unfortunately, this can be a time of sorrow for many others. This could be due to a death in the family, a sickness or any various other reasons. Reach out to those who may be in pain and show kindness and love. You may be the only joy for someone.

If there are no nominations for President and Vice-President by the time of this publication the board at the January meeting will be asked to vote on the current officers remaining in office.

Still looking for someone interested in journalism or publishing (High School or College) and would like to take the Publication of the Release on.

LARGE & SMALL GAME COMMITTEE

Here's a couple of successful hunts from this season to share.

Quinn Talbott's Buck. Sunday morning November 6, 2022, I was blessed with the opportunity to harvest this magnificent 18-point non-typical buck. Unable to use my longbow to hunt ethically a big Thank You goes to Bill Brookshier of Archery Farms to help make this happen. Thank you, Bill, for your help and knowledge setting me up with this Martin DSX31 compound and G5 Striker V2

Quinn Talbott's Buck

Jeff's Blystone's Buck

My buck walked to a scape 40 yards from my tree stand the evening of November 7th. It was a longer shot than I like to take but the buck was standing perfectly broadside while licking the tree branch above his head unaware he was in danger. That was the sixth buck I had seen from that stand in the last two days and by far the biggest. The arrow flew true and the sweet November rut accounted for another great hunt. I used a Hoyt Spyder 30 compound with Beman 400 carbon arrows and a Rage Hypodermic Broadhead.

Happy Bow Hunt'in

Jeff Blystone
