Well here it May and the temps are heating up. I have been trying to get some practice time in but either the winds have been howling for its raining.. Still I have gotten in a few afternoons of shooting. The MBH State 3D is just around the corner (June 10th). Nadaho and MBH sure would appreciated your support. I know Nadaho is also holding their club shoot on Sunday so one could get in two 3D shoots over that weekend.

As some of you have seen on Facebook Leann Drake continues to prove herself as one of the up and coming shooters. Congratulations on your Gator Cup win.

For those of you who like to shoot field the Midwest Outdoor Sectionals is coming up next month (June 17-18) at Linwood, Ks. Would like to see some MBH members at this Tournament in support of Kansas archers. They have supported us when we have hosted the outdoor Sectionals. It would be great to return the support.

LARGE & SMALL GAME COMMITTEE

Turkeys are hitting the Dirt this Spring!

Jim Brinkman of Labadie, MO. Arrowed his first bird on Wednesday April 19th. Jim tagged out with his second bird on Monday April 24th. Jim's 2023 Missouri birds were killed in Franklin County. Jim has harvested more turkeys with a bow than anyone else I know. He has killed over 60 Gobblers that I know of with archery equipment including the Gland Slam of Eastern, Merriam, Rio Grande, & Osceola subspecies.

Quinn Talbott of Graham, MO. Got his first bird of the season on Monday April 17th and his second gobbler a week later on April 24th. Quinn has been on a roll since he started shooting his new Martin Compound Bow last fall. He tagged his best buck ever and now has tagged out on Missouri Spring Gobblers in Nodaway County.

If you're anywhere around Graham Missouri and are wanting a new Martin bow setup the contact Bill Brookshier of Nodaho Bowhunters and he will get you fixed up.

If you have had some success this season and want to share it in the Release just sent me an email at jandkbly@gmail.com

Happy Bow Hunt'in,
Jeff Blystone

CONSERVATION COMMITTEE

In April my wife Kim and I traveled to Reno, NV to attend the 33rd Pope & Young Clubs Biennial Convention. I am a regular P&Y Member and an Official Measurer for P&Y so every other year when the awards and convention is held, I like to attend if possible. It's a good time seeing and talking to fellow bowhunters who share the same passion. Lots of outfitters, gear vendors, seminars, luncheons, auctions, game awards, guest speakers, and dinner banquets happen during the four-day convention. The main attraction is the collection of North American big game on display during the convention. There were 174 mounts on display this year representing all 29 species of the top scoring animals measured during the last two years. There were lots of well-known bowhunters in attendance as well. Names like Larry D. Jones, Curt Wells, Chuck Adams, Tom Nelson, C. J. Winand, and John Dudley. These guys and gals are just like you and me and are very friendly and willing to share stories and tips. **Mark your calendars now for April 2025 to join Pope and Young in Phoenix, Arizona for the 34th Biennial Convention. It promises to be even bigger and better than ever.**

Happy Bow Hunt'in Jeff Blystone
