I attended the 2024 Midwest Indoor Sectionals in Wichita, Ks., the MBH Indoor at the IBH Range and the NFAA Indoor Championships in Louisville, Ky. The great thing about attending these tournaments, you get to renew old friendships and make new ones. I had a great time at these events and highly recommend MBH members attend the Midwest Sectionals, NFAA Indoor and surely the MBH Indoor.

At the MBH Indoor I had some conversations with several members about MBH. Missouri Bowhunters Association is a state organization associated with the NFAA not a club. The organization relies heavily on the support of associated clubs to provide tournaments (indoor, outdoor and 3D) for its MBH members. We also rely on those same members to support these events. The organization (with support from the Board) took over the indoor tournament because no club was willing to host the event. If we had not, there would have not been a indoor tournament for the past several years (since we started having them in Jefferson city). We moved the tournament to Linn due to rental cost of the facility in Jefferson City. Over all I think we had a better facility and more parking at Linn but then came along COVID. This hurt the organization because we were no longer able to get the target butts. We tried doing the tournament at various locations, which was harder to coordinate (locations and times) and took longer to get final results out and of course mailing awards. One thing that was missed doing various location was not being able to see old friends and making new ones. So, It was decided to move back to one location (IBH, only club able to accommodate the lanes needed). The support of the members was to say lacking. I don't know the Future of MBH but I do know this, If the members don't support the events there will be no MBH!

## **LARGE & SMALL GAME COMMITTEE**

### **Spring Turkey Season Is Almost Here!**

Youth Season (ages 6-15) is April 6-7. The rest of us get to start hunting in Missouri on Monday April 15<sup>th</sup> until May 5<sup>th</sup>, 2024!

All the regulations are the same as in the past several years with one very notable exception. This year you are allowed to hunt all day on private land. Public land will still close at 1pm.

**Hunting hours on private land only are ½ hour before sunrise until sunset this year.**

Also, the Spring Season Turkey Hunting Permit went up this year. The cost is \$18 for resident adults and \$9 for all youth. Non-resident adult permits will cost \$233.50 and Non-resident landowners permits will cost \$172. Non-resident landowners must own at least 75 acres in one contiguous tract to be eligible for the reduced cost non-resident landowner permit.

Happy Bow Hunt'in,  
Jeff Blystone

## *CONSERVATION COMMITTEE*

I attended the Conservation Federation of Missouri's 88<sup>th</sup> Annual Convention last weekend. It seems like it usually happens the same weekend that MBH holds its State Indoor Shoot, so I haven't been able to shoot for a few years. This year's convention was held at the Lodge of the Four Seasons in Lake Ozark, MO. Friday night is the awards banquet, CFM handed out several awards and scholarships to students across the state that are pursuing careers in conservation and wildlife management. A new award this year that was created by MBH Hall of Famer Dick Wood was called "Share the Harvest Processor of the Year". Dick proposed the award and nominated our first recipient, John's Butcher Shoppee in Festus, MO. This processing plant has been involved with Share the Harvest to process deer that is then given to folks in need at no charge. They have been a Share the Harvest processor since the inception of the program over 30 years ago. Great idea Dick and thanks for your continued support and activities in CFM and MBH.

Saturday morning started with agency addresses from DNR director Dru Buntin and Missouri Department of Conservation Director Sara Parker Pauley. It's an informative presentation about what's been going on for the last year across Missouri in our State Parks, water and soil quality protections, lakes and streams, fisheries and hatcheries, forests, and wildlife. Always informative and mostly positive news from these addresses.

The rest of Saturday is filled with Education Seminars about outdoors and conservation in Missouri. Saturday night is the banquet, silent auction, raffles, live auction, and the Keynote Speakers Presentation. This year's keynote speakers were Mark and Terry Drury from Drury Outdoors. These well-known speakers have been involved in the outdoor industry since 1989 when they started filming their own turkey hunts and selling VHS tapes. These are Missouri born and raised boys and their love of Missouri Outdoors was evident during the 45 minutes they talked and told stories about growing up in rural Missouri. Even Miss Missouri for 2023 Hayley Leach was there wearing her fur coat donated by the Missouri Trappers Association. If you every want to have a great weekend learning, socializing, eating, drinking (yep I said free beer and wine on Saturday night sponsored by St James Winery and Public House Brewing Company), and raising money at the raffles, silent, and live auctions with a bunch of like-minded Missouri Outdoor folks then plan on attending next year.
